GOD WANTS YOU TO GET TO KNOW HIM

"Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in . . ."

REVELATION 3:20

PEOPLE MAY KNOW ABOUT GOD. NOT EVERYONE KNOWS HIM.

To make Jesus your Lord and Savior, say this prayer wholeheartedly and believe it:

"O Lord God, I believe in Jesus Christ, the Son of the Living God. I believe God raised Him from the dead, and I confess with my mouth that Jesus Christ is Lord of my life from today. I receive by faith remission of sins for my soul, and right now in the name of the Lord Jesus Christ, I receive eternal life into my spirit. Thank you Lord; I am saved. Thank you for saving my soul. I am now born again. From today, I am a child of God. Thank you Father."

WELCOME TO 2021,

prophetically declared as
the Year of Recovery!

***“David inquired of the LORD, saying ‘Shall I pursue this band [of raiders]? Will I overtake them?’ And He answered him, ‘Pursue, for you will certainly overtake them, and you will certainly rescue [the captives].’ ”
(1 Samuel 30:8 AMP)***

We all have felt and continue to feel the brunt of the Covid-19 pandemic. The year 2020 will forever be remembered by all as the year of pain, grief, and many losses (chaos); however, by the grace of God and our faith, we have entered 2021, the Year of Recovery. By faith, we believe that in this Year of Recovery, we will experience God’s move like never before.

While we know that there are many losses that cannot be recovered, such as the loss of loved ones, we believe by faith that the comfort of the Holy Spirit will be overwhelmingly sufficient to sustain us as we move forward in the supernatural power of God to fulfill our purpose and to recover all that can be recovered for the glory of God. It is imperative that we take heed, lest the enemy continues to use this chaotic event to paralyze us through fear and discouragement.

The scripture tells us in **1 Samuel 30:1-6** about a tragic event that took place in David's life that almost cost him his life and that of his soldiers. After the enemies robbed him of all he had and fought so hard for, they burned his city with fire and left nothing but ashes and smoke. David and his men were left with no strength to mourn for their losses any further. His men lost hope of recovering what the enemy had stolen and turned against David. Their distress was so great that they spoke of stoning David (**1 Samuel 30:6**). The truth is: whenever tragedy hits, if we are not careful, we can easily fall into despair and lose faith. It becomes difficult to see/understand what God is up to when this happens.

When we read the scriptures, we can see that God never wastes an event. He uses every event to reveal His power in a greater dimension and allow everything to work out for the good of those who love and trust Him (**Romans 8:28**). All for His glory. At one of the lowest moments of David's life, he turned to God in prayer for guidance, and the answer from the Lord was amazing! "*... Pursue, for you shall surely overtake them and without fail recover all*" (**1 Samuel 30:8b**). Amazing! Just when everyone thought it was over, God said, "I'm about to do a new thing!" I strongly believe that as we move forward in this Year of Recovery, God will do great and mighty things which we did not know of. Hallelujah!!!

Restoration family and friends, let us not lose focus of what our God is up to. Rather, let us set our hearts to seek Him like never before in the spirit of recovery in this new year, 2021. Our God is able. Our prayer is that we, the Restoration family and friends, position ourselves and get ready to recover everything that was taken from us, everything that we lost. For if we do so, we will certainly recover it all.

OVERCOMING YOUR CHALLENGES

Mrs. Elizabeth Barbosa

"Consider it nothing but joy, my brothers and sisters, whenever you fall into various trials. Be assured that the testing of your faith [through experience] produces endurance [leading to spiritual maturity, and inner peace]. And let endurance have its perfect result and do a thorough work, so that you may be perfect and completely developed [in your faith], lacking in nothing."

(James 1:2-4 AMP)

The year of 2020 can go down as a year of hardships, trials, pain, sorrow, loss, complication, and so much more. Some lost loved ones, many lost their jobs, and all lost a little bit of themselves in and through this hard year. It was a hard year indeed.

We were pushed out of our comfort zones into zones unknown to us, and we had no choice but to maneuver our way through them. Hope was being held on to by a string for many. Faith was surely tested. Through the hardships of this year, I learned one thing, and this one thing kept me through it all. Through the downs, through the sorrow, through the anger, through the disappoint, through the pain, through the loss of willpower, through the moments of hopelessness, through the negative and fearful thoughts, and through the confusion, this one thing was TRUST in God!

I, like many, had to push myself through many obstacles and keep a positive mindset. Can I tell you that God is good no matter what may be happening around us? All these trials shape us, mold us, and cause us to be more like Him. They build endurance in us. Yes, endurance to press through darkness until we see a beam of light at the end of the tunnel. Spiritual maturity and inner peace are not results of a peaceful surrounding but a peaceful mind/heart despite the surrounding. It ain't easy. It never was. But it is possible.

When we are spiritually mature and obtain inner peace, no matter what may be happening around us, the Holy Spirit speaks and calms our hearts and minds. When we trust God with all our hearts, His Holy Spirit helps us and leads us. When we feel like giving up, He reassures us that He has a plan. When we want to run and give up, He reminds us that we are exactly where we need to be. When we feel like we're about to go mad, He calms us and speaks to our hearts and minds, letting us know that no matter what, we are more than overcomers. When anxiety tries to weigh our hearts down, He gives us peace. When we begin to worry about our tomorrow and the "what ifs" begin to run rampant in the corridors of our minds, He whispers a Word of hope.

When fear is leading us to despair, and we become confused, He reminds us of His love that is perfect and casts out all fear.

What are challenges? How do we overcome our challenges? How do we look beyond them and keep the peace? I know it ain't easy ... nothing good comes easy. It's a struggle at times, but it's so worth it. Challenges happen daily. Some are harder than others, but they all are challenges; they all come at us when we're at our lowest or weakest. So what do we do? We TRUST God with all our hearts.

Know dear friend that nothing happens without God's permission, and God loves us with a perfect love. I know 2020 was a hard year. It was a year in which God opened up many eyes (2020 Vision) to see our desperate need for Him in our everyday life. Even through all the hardships of 2020, I thank God for teaching us what we needed to learn. As we have trusted Him through all of 2020, let us continue to trust Him through 2021, for we shall recover it all, in Jesus' name.

No matter the challenge, our God is greater! Always remember this dear friend and don't give up. Overcome your challenges!

GOD IS MOVING IN MY LIFE!

I want to share a testimony! First, it truly felt good to be home at the cathedral last Sunday! I sowed my seed at the Early Riser service and have been crying out in agreement and worship at midnight! Work has been a bit difficult to navigate during the pandemic. It began progressing and then halted as the social justice movement advanced. Yesterday, I randomly checked my junk messages on Instagram and one of my Wishlist tv shows reached out. The producer wanted to book me for a fashion segment; however, she wanted to shoot the next day. I was nervous since this was my first time appearing, but I agreed to do it and prayed that it would go smoothly. It happened super quick, and we did the shoot today. It went really well! After filming the segment, I received another email that one of my tv shows out of the country would be compensating me

“GOD IS SURELY MOVING! I’M IN GREAT EXPECTATION FOR MORE BLESSINGS TO COME!”

for my appearances and also taking care of ALL my expenses through the current season. Because they are in another country, I didn’t think it would be possible. They also booked me for a segment this month to activate payments. Hallelujah!! So, if you and the TTOR family are up around 8:15-8:25am TOMORROW FRIDAY, I will be on Good Morning America talking fashion! GOD is surely moving! I’m in great expectation for more blessings to come! Thank you Pastor Liz, Bishop, and ALL the Pastors, Deacons, Deaconesses, Servants and Pastor’s Wives for everything! God bless you!

STANDING ON THE WORD OF GOD

Stephen and Simone Attu
Brooklyn, NY

2019 was truly the Year of Joseph. God has been good to my family and me. After being asked countless times when we would leave the small and busted place I was living in, I would always say, "If God can trust me with little, he will trust me with much." In the month of sacrifice 2018, I went on the altar in tears sowing my seed, laying my request, and telling God I'd had enough. In that same year, almost all my requests were answered, but there was just this one that was always a double-minded decision. Early in 2019, we decided to start stepping out in faith. No matter the odds, we decided to look for a new home. We would go out every weekend and on Sundays, we'd come get the word and rush out to do our searching. Since we didn't have an agent, it was just us and God. In June, as the month of sacrifice came, I was determined to do something different. As my husband handed me the money, I told him no. He looked at me and asked why. I said God wants a sacrifice and that's what I'm going to give. As things would get tough at times, I would message my pastor to pray for the family without even telling him why. In the month of sacrifice, I remember Bishop saying that if we would be obedient, we would eat the good of the land. He said come to church for the last three weeks of the Month of Sacrifice and

our feet would be anointed. We did it and during that time, we found a house but so many other people were bidding on it. I wasn't worried. I told God that if it's ours, He will give it to us. I went to the property one Sunday after the anointing of feet, took off my shoes, and in faith declared that the property would be ours. I was standing on the Word of God that tells us that every place on which the sole of my feet tread it shall be mine. I also blessed a quarter and placed it on the land. On the Day of Sacrifice, I went on the altar with such a peace believing there was a shift. In the middle of the week, they called us to come see the finishing touches. I walked with my golden key that I received in church a while back, as I was planning on using it where I wanted an open door. I left the key in the house, and it's still there even today. Well to tell you how awesome my God is, we closed on our new home in only five weeks! There was no glitch. Everything was so smooth, and all I can say is from the pit to the palace. From grass to Grace. I must first thank God for all He has done, then to my church TTOR for the teachings especially on how to live by faith. To all the Pastors, Bishops and servants, thank you for your selflessness. With God all things are possible. God is faithful.

Proverbs 3:27 (NIV) “Do not withhold good from those to whom it is due, when it is in your power to act.”

If there was ever a time for God’s light to be seen, His mercy to be bestowed, and His love to shine, it was this year, 2020. COVID-19 hit not just the community but the world. People lost their jobs, their homes, their loved ones, and their hope. This year has been a test of faith, courage, and endurance. God has been faithful to The Temple of Restoration and when the need became obvious, we stepped in.

On Thursday, March 26, 2020, The Temple of Restoration began our weekly food distribution not just to our members, but to our community and beyond. Led by Bishop Angelo Barbosa and a team of six, at the time, our gates opened. On day one, we started by distributing approximately 100 boxes of fresh produce, meats, dairy products, and snacks. Presently, every Thursday, ALL TTOR locations in the tri-state area, from Mt. Vernon to New Jersey, distribute over 1000 bags and boxes of produce and freshly cooked meals. God’s reach is not limited.

People come from other boroughs to receive from the helping hands of God. Many who come offer their service to help, wanting to be part of God’s work. Some recipients are the homeless from neighborhood temporary shelters, who are grateful for the cooked meals. Families come to get their week’s supply of food. We see friends sharing and distributing to others. People have made friends standing in line each week. As one person stated, “It is not about black, white, or Asian; it’s about camaraderie, people helping people, people encouraging people.” One grandmother brings her 8-year-old grandson to get lunch during his online class breaks. His mom is away and grandma raising her grandson needs and appreciates all the help she gets. The food she receives makes it easier to feed herself and her grandson week to week.

With a passion for needy and lost souls, the Lord placed on the man of God’s heart, Bishop Angelo, to challenge the church via livestream to help financially. The people embraced the challenge, and financial help was sent to out-of-state TTOR locations in Rhode Island,

Massachusetts, and overseas in Brazil, Cape Verde (4 Islands), Trinidad and Tobago, India, South Africa, and Mozambique. COVID-19 was not contained to the US and neither were we. TTOR extended a helping hand to the islands of Grenada, Guyana, Haiti, and Jamaica where we were able to distribute over 1000 care packages throughout the island. God continues to be faithful.

Despite everything that is going on in this world, we continue to do our part as a church; we are the light of the world. On Thanksgiving, we were able to serve over 1500 Thanksgiving Day bags with the help of volunteers from the NYC Police Department, and on December 24th, we have set a goal to distribute over 2000 holiday bags to families in need.

This is our moment. Glory to God for the great things He is doing. We are called for such a

time as this. We are called to be a blessing.

James 1:17 (NIV) "Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows."

This year 2020, "The Year Of Vision," has been a blessing for us, the servants of God. Jesus instructed his disciples to feed His people. As Disciples of Christ, the need could not be ignored. Reflecting on Jesus feeding the multitude of 5000 people, we see that nothing is too big or too grave for our God. What may seem like a dark moment to some, to others is a moment for God's light to shine. When will we stop? Only God knows. It is by His direction. We may not know what the future holds, but we know who holds our future. Glory to God for the great things He is doing in our lives. We are blessed to be a blessing!

A Special thank you to all that gave a donation. God bless you.

GOD

HAS BLESSED MY
LIFE TREMENDOUSLY

MECCA NELSON

Brooklyn, NY

I thank God, Bishop Angelo, Queen Liz, and the bishops, pastors, and pastors' wives for providing a space of no judgment, understanding, love, and authenticity. I have been at TTOR for 12 years, and God has blessed my life tremendously. I attended daily putting my faith in action, and my life changed. God allowed me to see my purpose and succeed in all that my heart desired and so much more. Before I came to TTOR, I had lost my husband in Iraq, when my daughter was three. We had been together since we were teens. After losing him, I felt like life wasn't worth living. But faith in God allowed me to see my purpose, to raise my daughter, and to teach her that God is her best friend. The chaplain that came to tell me my husband had passed told me that God had a purpose for me, but I felt like He had left me. I never understood those words until I began to build my relationship with God. God blessed me to come out of a space of depression,

holding so much hurt and pain in my heart, mind, body, and soul. I started my business in 2017, promising God that I would keep myself open to take in what He needs me to, and I asked him to use me as his vessel. He has blessed me tremendously during this time. I am now a certified woman minority business enterprise. I have multiple businesses; I'm a best-selling author, and I'm connected to some amazing and influential people. I always had visions of being in this type of atmosphere; I just had to put the work into it and believe in God. He has also blessed my daughter and I with a home with no mortgage. I was praying for this for a year believing God would make it happen. March 2019, Bishop Angelo asked who believed they would receive a house at the end of the year? I raised my hands low, then higher in faith that God would bless me. He answered my prayer because I did the work that he requested me to do by planting seeds and being a blessing to others, no matter what obstacle came our way. Also, my daughter has reached an amazing point in her dancing career. She is well known in the dance industry. She is

also a young entrepreneur and owns an online boutique while preparing to go away to college. I thank God every day for her. Faith is the word she goes by, especially watching her mom move in faith. God has blessed me to be in newspapers, magazines, TV, multiple interviews on multiple platforms. I know that God has so much more planned for me. I represent multiple companies and organizations. I truly believe that who you are, your character, stands for itself. I'll continue to walk in the presence of God with his grace and in his favor, and I'll continue being a blessing. When alone, you must learn how to fight in that space,

talk to God, and ask him to give you the strength and power. I retained all the knowledge that I was taught at TTOR and use it in my life, my business, and anywhere I go. Thank you, God, for allowing me to see what you need me to see, hear what you need me to hear, think what you need me to think, move where and when you need me to move, and feel the way you need me to feel. My favorite scripture is *Psalms 144:1: Blessed be the Lord my rock who trains my hands for war and fingers for battle.* I show up and show out the TTOR way. Thank you God. 2021 here I come! Blessings

GOD HAS ANSWERED AND DELIVERED

Sade Percy *Brooklyn, NY*

Right now, I'm crying tears of joy! For a long time, fear of failing kept me stagnant, but I thank Ms. Liz and all the pastors for their teachings and prayers. I took them in and began to apply them. First, I had to change my mindset. I had to speak life into what I wanted and believe that it was meant for me as pastor always says. God didn't place this vision in me for nothing. I had to fight against all that was coming against my dreams. Night of Decision 2019, I wrote them down and gave them to God. I knew things had to change in my life. I prayed every day, and I worked towards accomplishing my goal. Sometimes, I did lose sight of the goal, but I fought

and found my way back and completed what I started. I kept praying to God about this one thing; I wrote it everywhere and claimed it every day. Well, God has answered, and He has delivered. Some may say it took four years, but my God was right on time. I passed all my exams needed for my teaching licenses. Thank you for your continued teachings and prayers. I pray that God continues to use you and bless you as you minister to His people about having faith and believing in His Word and His timing, for He knows the plan He has for us. All we have to do is seek Him, knock on the door, and in all our ways trust Him, and He will give us our hearts desires. God is Awesome!

MY HUSBAND HEALED FROM CANCER

MARILYN BRANTLEY

Mount Vernon, NY

It's an honor and privilege to share my testimony of the greatness of God, and what He has done for my husband and me. In March 2018, my husband was diagnosed with hepatic cancer, a rare type of liver cancer that also affected his abdomen. Upon receiving this prognosis on March 10th, he was given six months to live. During that difficult time, I was broken, weak and did not know what to do. My hope and faith were literally shattered to the point that I couldn't pray. I remember standing in a Sunday service with tears flooding my face. My pastor saw me and took me out the service and spoke these words into my spirit, "Marilyn, you have to learn to let go. Stop being in control of the situation and put everything in God's hands." After hearing those words, I left church revolted, telling God I will surrender everything to him because He has the final say and He has the power to heal.

There were times I did not know how

to pray, but the more I worshipped with songs of praises, God would renew my strength. I remember two songs that I sang while meditating on God's Word and fasting. The title of the songs are: "Through it All" by Andrae Crouch and "I Can't Even Walk" by Shirley Caesar. I grew stronger; I was able to face my challenges with god's grace and strength.

Today, I'm happy to announce my husband returned to work full time and continues to work during the pandemic and had undetected cancer antigen six months ago with his Oncologist. I just want to express my gratitude to God for his man servant Bishop Angelo, my pastors and Assistants for all their support and continuous words of encouragement. It made me an overcomer, and I learnt patience and to trust God even in the most difficult situation and not to complain. Thanks again TTOR family for your continuous prayers and teaching of God's Word.

7 Fridays of Anointing

THE ANOINTING OF POWER LINK OF PRAYER SERVICES ARE BASED ON **ISAIAH 10:27**, "IT SHALL COME TO PASS IN THAT DAY THAT HIS BURDEN WILL BE TAKEN AWAY FROM YOUR SHOULDER, AND HIS YOKE FROM YOUR NECK, AND THE YOKE WILL BE DESTROYED BECAUSE OF THE ANOINTING OIL."

ANOINTING OF THE HEAD

"You prepare a table before me in the presence of my enemies; You anoint my head with oil; My cup runs over" (Psalm 23:5).

The head is considered to be the center of intellect, which involves our thoughts, memory, understanding, and emotions. The head is the most important part of the body. The successful functioning of the entire body depends on the head. For this reason, your head will be anointed as a symbol of the Lord's blessings upon your head in 2021.

ANOINTING OF THE EYES

"And Elisha prayed, and said, 'Lord, I pray, open his eyes that he may see.' Then the Lord opened the eyes of the young man, and he saw" (2 Kings 6:17a). Blessed are those who have eyes to see. If your spiritual eyes are opened, you will see life from God's perspective. But like the servant of Elisha, if they are not opened, you will only see what the enemy wants you to see. So in this faith, your eyes will be anointed to align your vision with God's vision for your life in 2021.

ANOINTING OF THE EARS

"The heart of the prudent acquires knowledge, and the ear of the wise seeks knowledge" (Proverbs 18:15). By faith, your ears will be anointed so that you may be inclined to hear the instructions of the Lord in 2021 and walk in victory.

EACH FRIDAY WHEN YOU ATTEND THIS DELIVERANCE SERVICE, YOU WILL BE ANOINTED TO EMPOWER YOU IN A SPECIFIC AREA OF YOUR LIFE. DEAR FRIEND, MAKE EVERY EFFORT TO PARTICIPATE IN ALL SEVEN WEEKS OF PRAYER AND RECEIVE THE ANOINTING THAT DESTROYS YOKES AND LIFTS BURDENS, SO THAT YOUR LIFE WILL NO LONGER BE THE SAME.

ANOINTING OF THE MOUTH

"A man's stomach shall be satisfied from the fruit of his mouth; from the produce of his lips he shall be filled" (Proverbs 16:20). Your mouth will be anointed so that your confession will be positive and aligned with the Word of God for your life in 2021.

ANOINTING OF THE HEART

"Oh, that they had such a heart in them that they would fear Me and always keep all My commandments, that it might be well with them and with their children forever!" (Deuteronomy 5:29). In faith, your heart will be anointed so you will be inclined to fear the Lord and keep His instructions, that it may be well with you in 2021.

ANOINTING OF THE HANDS

"And He will deliver their kings into your hand, and you will destroy their name from under heaven; no one shall be able to stand against you until you have destroyed them" (Deuteronomy 7:24). So that you may have victory over all your enemies, your hands will be anointed.

ANOINTING OF THE FEET

"Every place that the sole of your foot will tread upon I have given you, as I said to Moses" (Joshua 1:3). In accordance to God's Word, your feet will be anointed that you may prosper in every place the sole of your foot treads upon, in Jesus' name.

SERVICES WILL BE HELD AT ALL TTOR LOCATIONS
JANUARY 1ST - FEBRUARY 12TH, 2021
10AM, 12PM, 4PM & 7PM

GOD MADE A WAY

Maureen Mark
Brooklyn, NY

On October 13, 2019, Sister Liz preached a powerful word. The Holy Spirit spoke through her and said to the congregation, “We are okay with being okay, but God wants to get us out of the okay and get us into a bigger place.” Also, “We have a whole heap of seeds in us, and we often miss this fact because we’re so focused on our circumstances.” I held on to that word and did something I had only dreamed about prior. My employers were looking for innovative ideas for academically rigorous, engaging, and equitable new schools to serve as models for the school system. The Lord led me to put together a team of the best and brightest and with the prayers of my TTOR family and the help of the Media Ministry, we submitted a school design proposal to the Imagine School initiative in November 2019. The proposal was not chosen. I was not daunted. I believed in God’s Word that had and is still being released over my life daily by Bishop Angelo, Sister Liz, and all the other Bishops, Bishop’s wives, Pastor’s, Pastor’s wives, Assistants and my ministry sisters. My team was encouraged to re-submit in

Spring of 2020. I heeded the feedback. God led me to add new members to the team, and we worked on a revised proposal and were ready to submit our bold idea. Then COVID happened, and the program was put on pause. I was disappointed, but I continued to trust God, pray, meditate on the word, praise God, give my tithes, and give of my time and skills to help others. Last week, I received a call and a request for a zoom meeting. God is so good, ***“I will praise the Lord at all times: His praise shall continually be in my mouth. My soul shall make her boast in the Lord: the humble shall hear therefore and be glad” (Psalms 31:1-2 KJV).*** My vision for a technology powered Virtual Reality School has been put on pause, but Elohim made a way for the vision to continue. My virtual reality specialist, who I only met last October, has created an Educational Technology Company that we will be launch soon. I give God all the praise for opening another door along this journey. When COVID began, I started declaring every day: “I will come out of this pandemic time better than I went in.” I have been redeemed from the curse of the law by Jesus’ death and resurrection. I will continue to work diligently and trust God to do everything else.

“ GOD PROVED HIMSELF TREMENDOUSLY IN MY LIFE ”

Today, I just want to give God all the honor and glory. I'm not a person to write testimonies, but this is long overdue. I visited New York in May 2020 to visit our friend Allison. I had the opportunity of visiting TTOR in New York for a few nights with Allison and a few friends. I also had the opportunity of meeting Bishop Angelo on my very first visit to the church. I felt an instant connection. My family was broken for about 3 years, and I would cry and cry, but it did not help. When I returned home to Trinidad, I started visiting TTOR Chaguanas.

On my first visit to TTOR in Trinidad, I felt welcomed, loved, and appreciated from the parking lot to the sanctuary. I had no intention of staying at TTOR as I was already attending another church. However, because of the teaching, the love, and how family centered the ministry is, I'm still attending TTOR Chaguanas to this day. My testimony is about Faith, Obedience and Tithing.

I used to tithe whenever I felt to because I was always worried that I would not be able to pay all of my bills. In June 2019, Bishop Angelo and the Team went to the Holy Land Israel. I sowed my seed and sent my prayer request all the way to Israel with them. Since I've started worshipping at TTOR Chaguanas, I have tithed from May 2019 to August 2020, and I've also sowed seeds during those months. In 2020, God proved Himself tremendously in my life. He has restored my family, given me the exact raise I wrote on my prayer request, and I have been living my best life during this pandemic, all because of obedience to God.

Pastor, every time I come to church, I leave the service more empowered and full of faith. God bless you and your family richly, and may God continue to use you. Thanks to Bishop Angelo and the TTOR family.

“So Elisha said to her, ‘What shall I do for you? Tell me, what do you have in the house?’ And she said, ‘Your maidservant has nothing in the house but a jar of oil.’ ”
2 Kings 4:2

WHAT DO YOU HAVE?

What do you have? What do you have that you can use? Now, before you answer, “I have nothing that’s why I’m where I am in life!” Everyone has something! Can I repeat this? Everyone has something! The problem in life is that we too often compare what we may have to what others have. We compare our families, homes, work ethics, looks, talents, gifts, hobbies, likes and dislikes, and so much more. And for this very reason many aren’t doing much in life because they’ve become stagnated with what they do have, wanting what they don’t have.

Listen up here; this widow was in desperate need of help. She didn’t have much, but she did have something. That something no matter how insignificant it was to her, it was enough to call forth the miracle, yet she was completely unaware! Prophet Elisha didn’t ask her for what her neighbors had, but what did she have. The miracle will always take place with what you already have with you, though it be little in comparison with someone else! Hello dear reader?!

A glowing lightbulb is positioned in the upper left quadrant of the page. The lightbulb is illuminated from within, casting a warm, yellow glow. The background is a solid, bright yellow color. The lightbulb is slightly out of focus, emphasizing its light rather than its physical form.

God will never ask us for what we don't have. Use what you have! Use what is set before you! No matter how little it may be, use it! God will anoint that thing and cause it to become great! Obedience is key whenever we're expecting a miracle in life. The act of faith will follow instructions. It's not always easy to let go of what you may have in order to gain what you don't yet have, but it is crucial and the only manner of calling forth the miracle.

One thing that we all have is TIME. Yes, time (at least for the day set before us), for we don't know what tomorrow may bring... But the devil is surely using time against us. He keeps us busy focused on things that don't matter, things that do not edify us, things that causes us to become bitter, hurt, disappointed, angry, etc robbing us of time that we could be bettering our lives, being happy, being all that God wants us to be. Let's think about this here... how much time have we wasted in life being worried, upset, angry, hurt, offended, etc. all the while trying to receive a miracle in life?

An open hand is positioned in the lower left quadrant of the page. The hand is palm facing forward, with fingers slightly spread. The skin tone is a warm, golden-brown color, matching the overall yellow theme of the page. The hand is slightly out of focus, emphasizing its gesture of offering or presenting.

Listen, let's put aside all the negative emotions and focus on what we have and work with that. God will do great and awesome things with it. To Moses, it was a simple rod, but to God, it was enough to make all of Egypt bow! To Samson, it was a simple jawbone of a donkey, but to God, it was enough to kill thousands of his enemies. To Esther, it was a simple three day fast, but to God, it was a shout to arm and prepare God's armies for war against her enemies! Good God, Almighty!

Stop looking at what you don't have and begin looking at what you do have, no matter how insignificant it may be. God will use it for His glory and for your miracle!

It is God, all God

EARLE AND SHEREEN WILLIAMS

Queens, NY

To God be all the Glory, honor, and praise as I humble myself in His presence.

My name is Earle Williams, and I have been a member of the Temple of Restoration for over ten years. On March 25th, 2020, during the height of the COVID-19 pandemic, I was admitted to Long Island Jewish Hospital for what my medical doctor determined to be pneumonia and Covid-19. After my admittance, I remained in the hospital, just lying on the bed, hooked up to a very high level of oxygen, with no idea of what was going on. The doctors were trying various medications to assist me with the other symptoms I was having, but God kept me. It was such a very dark place to be in, but God.

During those challenging days, the doctors tried twice to incubate me stating that the oxygen I was taking to assist my breathing was not working. But thank God they never incubated me. God turned it around, and I remained in the bed hooked up on the oxygen. The doctors told me twice in a simple form that I would die. That was their report, but the

report of the Lord stated differently. Although others were dying all around me in the hospital, His word was that I would live and not die and declare the works of the Lord. To God be the Glory, He saved me! For many days, I was unable to walk or breathe on my own. After those 49 challenging days, God granted me to be discharged from the hospital. They sent me home with the oxygen, and I remained on it for another five weeks being assisted at home by my wife and my son. The medical doctors told me that I would have to remain on oxygen for my lifetime. They sent me at home with medical care, a nurse, a physical therapist, and did video calls with me. Eventually, after the fifth week, it was a suddenly! The Holy Spirit directed me to remove the oxygen from my nostrils. Yes, it was God. I did as I was directed by the Holy Spirit and removed the oxygen from my nostrils. Yes, God removed that oxygen from me. When I went into the hospital, I was wearing a size 40, but when I left the hospital, I was wearing a size 32. Today I am off oxygen and doing

extremely well with the help of God. The medical doctors were surprised that I was off the oxygen, but it is God, all God. To God be the Glory!

During my stay in the hospital, the team at TTOR, family, and friends were praying diligently and tirelessly for me. So today, I Thank God for the Bishops, pastors, assistants, pastors' wives, family, friends, and all those who vigorously prayed for me, stood

in the gap, and fasted for me. To those who faithfully sent me prayers and words of encouragement, and called me while I was hospitalized and could not respond because of the breathing device over my entire face, but they still prayed and encouraged me in my ear and called me out in the name of Jesus from that, horrible and frightful place, thank you, thank you, thank you to everyone! I deeply appreciate each and every one of you.

THE POWER OF GOD

Adrian Dindyal *Queens, NY*

We serve a Faithful God! My name is Adrian Dindyal. I am twenty-four years old, and I live in Guyana. On November 5th, I was paralyzed on my right side and taken to the hospital. The doctors later diagnosed me with a left hemisphere stroke. I was experiencing sensory impairment problems with my speech and even the inability to see the right visual field of each eye. They gave me just three weeks to live in a wheelchair. Everyone was crying and pitiful toward me. Word went around and on November 17th a friend sent me The Temple Of Restoration Word of Encouragement program with Pastor Rosalie for the first time. She preached from **Matthew 13, "Faith Like A Mustard Seed"**. She mentioned that this sickness is not unto death but all for the Glory of God. As I listened from my bed at 2am, my body began to absorb the Word of God, and it was in the STRONG PRAYER that I began to feel. The Power of God came over me

heavily as my headphones send out a heatwave. I felt new strength and I started to get up, and I noticed

I was feeling on my right side again. At that point, I knew I was completely healed.

The very next day I went to the doctors, and they were astonished with my miracle. They were in disbelief with the test results. The specialists reversed their report, and my body is totally restored. When the people in our congregation saw me running around the congregation, they were in tears with my testimony. Now our members tune into all TTOR services. Today, I am utterly grateful for TTOR. You gave me another chance to live for Jesus! Thank you TTOR.

Just Breathe

“The LORD will fight for you while you [only need to] keep silent and remain calm.” (Exodus 14:14 AMP)

JUST BREATHE. When everything seems to come upon us like a mighty wind of frustrations, we need to step back and just breathe. Wow! It seems as if the devil is working overtime to get us stuck in a place where frustration, stress, and anxiety tries to suffocate every ounce of joy and peace out of us. Don't let him win!

The Holy Spirit is here to help us get through our day with joy and peace deep down inside of us. It's not God's will that we wake up tired and go about our day frustrated. It really isn't. That is the devil's work, and we need to be mindful of his schemes and devices. When we begin to feel overwhelmed, we need to just breathe. Honestly, do what works for you. If just going to the bathroom during your workday and praying/breathing works for you, do it. If taking a brisk walk and just looking upward to the sky works for you, do it. If picking up the Word of God helps you, just do it. If putting on an encouraging word and listening to it helps you, do it. Do what you have to do to get take breather and calm your mind down.

Our mind is already working overtime; we don't need to fill it with unnecessary worry and frustration. What we can do today, let's do it. What we cannot do today, we'll just have to leave it for tomorrow. Balance is everything and a sure weapon to win against satan and his demons.

PRISON OUTREACH MINISTRY

*"In my distress I called
to the LORD, and He answered
and set me free." Psalm 118:5*

There's a class of people that are often forgotten by society. They go unnoticed in most situations, as we keep ourselves busy and our heads down thinking about the list of items we need to finish by the end of the day. We ponder about what matters most to us and our families, while people wane in the shadows of the streets and in other cases, voiceless behind prison walls. As I type this, I'm reminded that every soul has a story, and it's imperative that we take time to hear the heartbeat and identify the humanity of others. Jesus shares it this way: ***"Don't forget about those in jail. Suffer with them as though you were there yourself. Share the sorrow of those being mistreated, for you know what they are going through" (Hebrews 13:3 TLB).***

This year has been trying times for everyone, and the prison ministry is no exception. Virtual platforms have allowed us to continue working with clients at a limited capacity; however, we've found solace in writing letters, cards, and sending memos of encouragement to those in need. We witnessed breakthroughs and shared excitement with many men and women, as they reunited with their families upon release. We delivered meals during the Thanksgiving holiday, and as we prepare to close out with our year-end holiday initiative for children of incarcerated parents, I'm still overwhelmed by the goodness of God. As 2021 approaches the horizon, I'm excited to see what God has in store for the servants of TTOR Prison Outreach Ministry.

PARTNERSHIP IS A COMMITMENT of regular financial support to help minister to those who are lost and encourage them to experience God's abundant grace and restorative power.

Thousands of people have experienced positive changes in their lives as a result of being obedient to the Lord and becoming partners with this ministry that has been raised up by the Lord for this end-time harvest.

We strongly believe the hundredfold harvest for those who are partners in this ministry. We take great pleasure in being faithful to and extremely serious about our responsibility to see that this ministry remains committed to its calling: to go into all the world and spread the gospel to all creation. This is done through our daily walk of faith and being in total obedience to the Word of God. Here at TTOR, we value the commitment of every partner, and every seed sown in this ministry is considered holy.

Your seeds not only open doors for your life, but they also strengthen our wings as we fly to deliver this great gospel of our Lord throughout the world. We are destined for great crusades in many different countries and to also plant deeply rooted churches in many cities and countries. Another great part of this ministry is the broadcasting of anointed television and radio programs and the distribution of spiritually uplifting literature. In addition, TTOR reaches out and touches lives on a weekly basis through our ministries to the elderly in nursing homes, rehab centers, homeless shelters, and correctional institutions.

So if God is leading you to enter into partnership with TTOR to sow your seed on a monthly basis, I assure you that your faithful partnership will produce great results in your life and the lives of the countless number of people who are being impacted with this glorious gospel of Jesus Christ.

PARTNER

Understanding Partnership

In taking this step of faith, you first must understand what a partnership is. It is a relationship or a bond between two people who share a common goal or objective and have joined forces and resources in order to reach their goals and achieve their objectives. It is through partnership that you can share in the goal of this ministry to reach the world with the gospel. By joining forces of faith and uniting your resources with ours, together we will fulfill this great commitment. Your decision to become a partner should be taken very seriously.

We believe this partnership is a divine bond established by God to fulfill His purpose.

HE GAVE ME EXACTLY WHAT I PRAYED FOR 10 YEARS!

Primerose Sinclair

Brooklyn, NY

I just want to share my testimony of how God has been good to me throughout this pandemic. I want to give God all the praise, glory and honor for never leaving me through these trying times. With all that's going on, I've been blessed to be able to go to work and to provide for my family and others who reached out to me when they needed help. In 2018, I filed for my green card not once but twice. My first request was denied, so I went and filed again. In 2019, I received my work permit, social and travel documents. I was then sent a notice for my interview on March 18th but then here came Mr. Covid. On Tuesday, March 17th, I received a call notifying me that my appointment was postponed until further notice. I was disappointed somewhat but in the back of my mind, I was saying this is just a minor setback for a major comeback. As time passed, I fasted and prayed and didn't lose hope. The first week

of July, I received a letter from USCIS notifying me that my appointment was July 28th. On the day of the interview, the two people who knew about the interview asked me, "What are you hoping for?" I told them, "This paperwork already has God's stamp of approval. I'm just going in for them to see who they're giving the card to, and I will be getting my 10 years green card." While I was in the car, I anointed my head with oil and when I got in the building, I anointed the palms of my hands and the soles of my feet because I was trusting God to order my steps. When my interview was over, the interviewer said "You will receive mail within 4 weeks." I turned to him and said, "I'm hoping it's all good news." He smiled and said "Yes." All I could say at that time was, "Thank you Jesus!" A week after the interview, I checked online and it said your status is approved! Two weeks after, I received my card in the mail and to God be the glory. He gave me exactly what I had prayed for 10 years! God has shown me over and over again that whatever I need just ask of him, and he will supply my needs.

GOD'S LOVE AND BLESSINGS

Meagan Deleon *Rhode Island, MA*

Hello, my name is Meagan Deleon. For a long time, my son Jonathan didn't talk to me. We only saw each other maybe twice a year, if that. We hadn't seen or talked for almost three years. But through prayers and exercising my faith, we started talking again a few months ago and are slowly mending our broken relationship. It's not completely finished but through perseverance and patience with the Lords help, my son and I are regaining a relationship together. Also, another blessing from the Lord came in the

form of my boyfriend Troy. I thought because of all the hurts and suffering I've endured (domestic violence, homelessness, etc.), I wasn't worthy enough to have a man of God brought into my life. I'm thankful for the long hours of prayer, fasting, and patience to have this relationship. I'm blessed that Troy has become like a father figure for my daughter and a support system for me. We all may feel unworthy of God's love and blessings, but he is with us at all times and thru it all. No one else know us better than the Lord above!
