GOD WANTS YOU TO GET TO KNOW HIM

"Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in . . ."

REVELATION 3:20

PEOPLE MAY KNOW ABOUT GOD. NOT EVERYONE KNOWS HIM.

To make Jesus your Lord and Savior, say this prayer wholeheartedly and believe it:

"O Lord God, I believe in Jesus Christ, the Son of the Living God. I believe God raised Him from the dead, and I confess with my mouth that Jesus Christ is Lord of my life from today. I receive by faith remission of sins for my soul, and right now in the name of the Lord Jesus Christ, I receive eternal life into my spirit. Thank you Lord; I am saved. Thank you for saving my soul. I am now born again. From today, I am a child of God. Thank you Father."

Redemption POWER

Bishop Angelo Barbosa

“In Him we have redemption [that is, our deliverance and salvation] through His blood, [which paid the penalty for our sin and resulted in] the forgiveness and complete pardon of our sin, in accordance with the riches of His grace which He lavished on us.’ ”

EPHESIANS 1:7-8a AMP

We often speak of redemption, but what exactly is redemption? Redemption is the act of saving or being saved from sin, error, or evil. It is the action of regaining or gaining possession of something in exchange for payment or clearing a debt.

Let’s think together for a moment, shall we? You and I have been redeemed. We have been

redeemed by the Blood of Jesus Christ. In exchange for His death on the cross (the full payment of sin), we have received eternal life! This is glorious! He made a payment in full and cleared us of a debt that we could never pay on our own! But there is more dear friend. This payment wasn't merely for our salvation but for an abundant life here on earth! Yes, you and I are entitled to live abundantly here on earth due to the full payment that Jesus Christ our Redeemer made on our behalf! Oh, Glory to His Name forever!

We have been saved from sin, error, and evil. From sin so that we may live righteously! From error so that we may live with the right mindset! From evil so that we may live with a good attitude. There is nothing lacking in this redemptive work! It was paid in full. Are you living the life that Christ redeemed for you? ***“O taste and see that the LORD [our God] is good; how blessed [fortunate, prosperous, and favored by God] is the man who takes refuge in Him” (Psalm 34:8).*** Your Redeemer is good!

In this prophetic year of 2022, the Year of Redemption, you must know that you have not only been redeemed to be saved but to live

a full life with nothing lacking. What is it in your life that needs a redemptive touch of Christ? Is it your health? Is it your finances? Is it your family? Is it your mind? Is it your workplace? What is it that you're standing and believing that Christ's Redemptive power will touch and gain or regain for your life? Is it something that you had, and you lost? Believe that His Redemptive power will locate that thing wherever it may be and bring it back. There is power in the Redemptive work of Christ Jesus. He died and paid the price for you to regain possession of what is rightfully yours!

Believe, trust, and put all your hope in Him, for in this New Year, 2022, the Year of Redemption, His Redemptive Power will touch the areas of your life that you present to Him. Believe that everything the enemy has taken from you and everything that has been hidden from you, you shall recover it all, in Jesus' name. For when the Redemptive Power of Christ flows, liberty, power, favor, strength, courage, blessings, freedom, and goodness flow as a result!

A Happy, Blessed, and Redemptive New Year to you Restoration family and friend!

HEY! YES YOU!

WE ARE PRAYING FOR YOU!

***“Speak comfort to
Jerusalem, and cry
out to her, that her
warfare is ended,
that her iniquity is
pardoned; for she
has received
from the LORD’s
hand Double for
all her sins.”***
Isaiah 40:2

You know, when I see a person, I often say that I see a story. Everybody has a different story to tell, their personal story. Some stories are harder than others; nevertheless, they are stories, experiences, tears, pain, disappointments, joy, redemption. They’re things that have made them stronger and wiser than before. Our God is a loving, merciful God, and He has our best interest at heart. He’s not some kind of monster that is constantly watching and awaiting to strike us with a thunder bolt whenever we fail. His love endures forever. He sent His only begotten Son in our place to redeem us from sin and eternal damnation (**John 3:16**).

It doesn’t matter what you’ve been through in life, God has called you and chosen you to do something great, maybe in your home, workplace, church, among friends, etc. He has chosen you, yes you, to do something great for Him. No obedience

is too little or of no significance for the LORD. He knows our hearts and the motives behind our actions. Jerusalem was a city in turmoil, a city that suffered a lot, and God loved Jerusalem. Though she sinned and had fallen short of His glory, He still chose Jerusalem as the Apple of His Eye. He forgave her, lifted her up, washed her, forgot her sins, and gave her double for all her shame and failures.

We need to understand one thing: All our good works will never be good enough before God. For this reason, He sent His Son Jesus Christ to die in our place. Only the sinless Lamb of God could do for us what we could not do. No matter how good we behave, it's but filthy rags (just think on how much good you do and then how much you fall short). In this New Year of Expansion, keep this in mind:

It's not your good works or good words that will make a difference in your life, but it's His presence and His goodness in and through you that will make all the difference. Let go of your past! Don't allow the devil to keep your mind in condemnation. Break free from those binding thoughts and think good things on purpose. Yes, on purpose. You are chosen by God; you are ordained by God to do great things. He will use your past to help those in your future as long as you continue in His presence and in obedience to His Word. Don't fret. Keep at it and see the salvation of the LORD.

Give the LORD your life, and He'll give you an awesome story to share with others. You're not at the end of your story book. You've just begun a new chapter, one that will top all previous chapters thus far! Be blessed.

I AM FOREVER GRATEFUL!

Carl Homward - Brooklyn, NY

"I am living my best life with every new day. When you believe in God to do great things, and you stay focused on the foundation in which He has built for you, you will walk a successful path. "

I am forever grateful that God guided me to The Temple of Restoration. In 2017, I was the dry bones in the valley, a broken man. But the Lord used the Temple of Restoration family to pray over me to bring new life to my dry bones, and through deliverance, I was healed. Glory to God. But He was not finished yet. 2020 was undoubtedly a challenging year for many. COVID hit, and many lost their jobs. God had blessed me in the workplace, allowing me to continue working through the pandemic. Even during the pandemic, I was believing in God to bless my path abundantly. June 16, 2020, the Director of Operations reached out to me saying, "Expect a \$4,700 bonus on your next paycheck." My team was blessed with bonuses as well. I stand on **Hebrews 10:24** and promote this scripture with my team, believing the Lord to provide much success in our department. Also, it showed them that through God, the impossible was made possible. During the pandemic, I was put in charge of running the department and keeping the team focused and not distracted by the COVID situation. There were many challenges, but I called on my Lord and Savior for every one of them. He guided me through every challenge.

October of 2020, I received another call from the Director of Operations. They were very pleased with how the department was being led, so I was blessed with two additional bonuses, one for \$3,750 and the other for \$3,850. There's more.

Also, during the pandemic, the Lord

created a very special moment for me. September 7, 2020, Cherylann and I were married at The Temple of Restoration, 490 Pacific St., after the Winner's Night Service. Judith created a beautiful song for us, on the spot, that included both of our names. He made a way for me to be married to someone with whom I am equally yoked. There's still more.

June 2021, the Month of Sacrifice started. I knew what I initially wanted to sacrifice along with my prayer request. Then God instructed me to put more, so I did. In the middle of that month, my Senior Vice President of Finance and Administration at my job called me. Because I had just graduated with an Associate's Degree in accounting, he asked for my grades and the payment information for my student loan. The next day, I received a confirmation email that my student loan was paid in full! Glory to God! The SVP also sent me a congratulatory email. Hallelujah! Wait, my God wasn't finished.

The last week in the month of sacrifice, I received notification that there was

an additional deposit in my account. On top of the boost in my raise, I was blessed with another bonus of \$2900. Thank you, Jesus! But wait, there's more.

Bishop Angelo, put this word out on Facebook, "I declare and decree Over everyone reading and sharing this, that Today the Lord Jesus is Going To Heal Your Body, bless your home, Multiply Your Money, Increase Your Dominion, Favor Your Relationships, And Open a new door in your life. Say Amen!!!"

"And you will also decree a thing, and it will be established for you, and light will shine on your ways" (Job 22:28).

I believed it and received it. AGAIN, the SVP of Operations called to let me know about a raise that he gave me.

A few days later, I received another call from the same SVP. His boss bumped my raise up higher than what it was initially. And, they officially announced my promotion and new title at a staff meeting later that day, Director of the Sanitation Department.

I am living my best life with every new day. When you believe in God to do great things, and you stay focused on the foundation in which He has built for you, you will walk a successful path. One thing I try to keep in mind is the Lord builds us up for each upcoming challenge, and we need to call on His strength and courage to push forward and continue to be vigilant in our walk.

I thank GOD for leading me to the Temple of Restoration. May GOD continue to bless this awesome spiritual hospital. All the glory, honor, and praise to our mighty GOD!

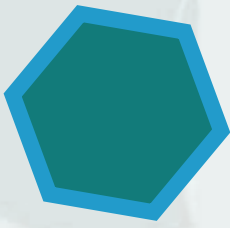

"For I know the thoughts that I think toward you, says the Lord, thoughts of peace and not of evil, to give you a future and a hope" (Jeremiah 29:11).

Who's on Your Side?

"... PLEASE LET YOUR EAR BE ATTENTIVE
AND YOUR EYES OPEN TO HEAR THE
PRAYER OF YOUR SERVANT WHICH I AM
PRAYING BEFORE YOU..."

NEHEMIAH 1:6

Many people have asked me, “What’s the right way to pray?” or “How should I pray?” My answer is always the same: Just talk with God as you would a friend. Prayer is not complicated. There is no wrong way or place to pray. You don’t have to: be on your knees, hands folded, covered up, in a church, etc. These things are great, but how many times in a day can you actually get on your knees to pray?

If you’re working, driving, walking, cooking, sitting on your bed, etc., you can pray. No one prayer is more powerful or effective than another. In other words: God won’t ignore your prayer because you’re not on your knees. Prayer is a simple dialogue with God no matter when, where, or how.

Far too many complicate it by adding man-made rules and regulations. I don’t have to turn a specific way, cover my head, rock back and forth, or wash my hands before I pray. I just have to pray! That’s it! God just wants dialogue. He desires RELATIONSHIP. A real relationship isn’t about appearances but honesty and transparency. The more one grows in their relationship, the less they feel they have to impress others. Right? For example, the longer a couple is married, the more comfortable, secure they are; they can be themselves with no pressure to look good every moment.

Simple dialogue is what the Lord desires of us. The simpler, the better. I love talking to God early in the mornings, while it’s still dark outside and the household is sleeping. Sometimes, I walk, or kneel down, or sit at my kitchen table, but I’m there talking to Him. Even while writing this devotional, I’m reading the Word and talking to Him, writing it down as I receive it. Simplify your prayer life. Don’t be concerned with elaborate words, the amount of time you’re praying, etc. Be as simple as possible and be effective. Be blessed.

MY PROCESS, MY JOURNEY, MY RECOVERY!

RENISON
BROOKLYN, NY

I was living in the world, depending on my own strength, then 2020 came. I had big plans for that year. I remember saying that I owed myself a lot in 2020. I got my job; yes, I was super excited. I felt good because in all the years I'd been in the country, I was not able to land a job with benefits. So everyone who knows me knows how excited I was. Then the pandemic came, and 2020 became "the year of my uncertainty." I caught COVID-19. As I look back now, I realize that I may have been strong physically, but mentally and spiritually, I was weak. Fear took over my life; my Faith in God lessened. I even had to stop working due to the after-effects of COVID. I was ready to give up on hope because all the doctors and specialists I visited couldn't diagnose why I had all those symptoms. I couldn't sleep or eat, had constant fatigue, and most of all, breathing became a struggle for me. I had so many pills for sleep, eating, anxiety, and depression. I even had hallucinations. With all that happening, I started to read my Bible every day and asking God for His mercy upon my life, and I even called most of the people I could reach and let them know that I was sorry for the way I handled situations with them. I even flushed all the pills and said to God one morning, "God, this is between you and me now." And that was the morning I turned on my tv looking for a church service and happened to see TTOR's Early Risers

service. I clicked on it, and that was it for me; I said I'm going to church. I started off in Queens, but it was challenging for me to get there from where I live, so I got information on 490 Pacific Street and came. I would come and sit at the back. I will never forget one Sunday in December, Pastor Liz did the 10 am service, and I was on the balcony. The Word was on fear, the 23rd Psalm. I remember that part well. I also remember her saying, as she always does, "Stand to your feet. I would like to pray for you. And when I finish praying, no one will leave the same way they came!" Believe me; I was one of those people.

As I look back, that's where my breakthrough started. That spirit of fear didn't have a hold on me any longer. I continued to come to the Temple and got to experience the Night of Decision for the first time. Wonderful! 2021 came, and my recovery started. I'm sleeping. I'm eating and starting to gain my weight back that I lost in 3 weeks after contracting COVID. The spirit of fear has gone. Sometimes it tries to come back, but I've learned to say, "Not today fear, not today!" I've been getting my breakthrough in my life: health, family, finances, living space, and most important my "Faith." I no

longer depend on my own strength; with everything, I try to include God. I participated in the Month of Sacrifice. I did have some challenges, but I practice what I'm being taught through Pastor Liz, Bishop Angelo, and all the other servants of God at TTOR. I wrote my prayer request, placed it on the altar, and thanked God for a safe return trip for Bishop Angelo and his team. Today, I want to thank Bishop Angelo, Pastor Liz, pastors and their wives, deacons, deaconesses, servants of God, the worship team, not forgetting the men and women who greet me every day as I enter the doors of TTOR, and the people who take time to clean the Temple. Thank you for keeping the doors of TTOR open when I needed it. I've learned not only how to believe in God but to depend on Him in all areas and aspects of my life and trust Him in the good and the uncertainty. Today, I will say I have peace, and I'm so grateful for the invitation He has given me for a closer walk with Him. When I get to the corner of Atlantic and 3rd and see the Temple, it brings a smile to my face. Instead of tears, I smile and say, "Yes Lord, I'm grateful for TTOR!" My process, my journey, my recovery. I've so much to share.

GOD, IT'S IN YOUR HANDS!

Last week, I gave my sacrifice and told my pastor that I was in the process of looking for a new job. I asked him to pray for me, and he did. On Tuesday, I went on an interview, and by Friday, I was given the job. Unfortunately, what they were offering wasn't what I asked for. I spoke to them and prayed. I said, "God, it's in your hands." Last night, I got a text saying they would pay me more. Thank you for your prayers. God is good!

ONLY GOD MAKES THINGS LIKE THIS HAPPEN!

Blessings! I kept my fast and prayer with my TTOR family and even my prayer vigil in obedience and was determined to lay my sacrifice and prayer request on the altar on Sacrifice Sunday. However, I was unable to attend church as I was not well, but I ensured to be a part online. I told God, "You know my heart, and I am believing." I promised Him to still honor my sacrifice when next I attended church, and I have kept my sacrifice and prayer request and continued to pray even when the team was live from Israel. Every day this week, I got calls for deals to expand my business, even from the Caribbean, from people I never even discussed this with. God just continued to open doors because of my faith and belief. I had a deal for June 30th to finalize a mortgage for my home in Trinidad, and this morning I got a call that it has been extended until the end of this year or until a further date to be advised. I am just trusting Him about my home and immigration matter, and I know it is already done. Praise the Lord our God! Hallelujah! Only God makes things like this happen.

7 Fridays of Anointing

THE ANOINTING OF POWER LINK OF PRAYER SERVICES ARE BASED ON **ISAIAH 10:27**, "IT SHALL COME TO PASS IN THAT DAY THAT HIS BURDEN WILL BE TAKEN AWAY FROM YOUR SHOULDER, AND HIS YOKE FROM YOUR NECK, AND THE YOKE WILL BE DESTROYED BECAUSE OF THE ANOINTING OIL."

ANOINTING OF THE HEAD

"You prepare a table before me in the presence of my enemies; You anoint my head with oil; my cup runs over" (Psalm 23:5).

The head is considered to be the center of intellect which involves our thoughts, memory, understanding, and emotions. The head is the most important part of the body. The successful functioning of the entire body depends on the head. For this reason, your head will be anointed as a symbol of the Lord's blessings upon your head in 2022.

ANOINTING OF THE EYES

"And Elisha prayed, and said, 'LORD, I pray, open his eyes that he may see.' Then the LORD opened the eyes of the young man, and he saw" (2 Kings 6:17a). Blessed are those who have eyes to see. If your spiritual eyes are opened, you will see life from God's perspective. But like the servant of Elisha, if they are not opened, you will only see what the enemy wants you to see. So in this faith, your eyes will be anointed to align your vision with God's vision for your life in 2022.

ANOINTING OF THE EARS

"The heart of the prudent acquires knowledge, and the ear of the wise seeks knowledge" (Proverbs 18:15). By faith, your ears will be anointed so that you may be inclined to hear the instructions of the Lord in 2022 and walk in victory.

EACH FRIDAY WHEN YOU ATTEND THIS DELIVERANCE SERVICE, YOU WILL BE ANOINTED TO EMPOWER YOU IN A SPECIFIC AREA OF YOUR LIFE. DEAR FRIEND, MAKE EVERY EFFORT TO PARTICIPATE IN ALL SEVEN WEEKS OF PRAYER AND RECEIVE THE ANOINTING THAT DESTROYS YOKES AND LIFTS BURDENS, SO THAT YOUR LIFE WILL NO LONGER BE THE SAME.

ANOINTING OF THE MOUTH

"A man's stomach shall be satisfied from the fruit of his mouth; from the produce of his lips he shall be filled" (Proverbs 18:20). Your mouth will be anointed so that your confession will be positive and aligned with the Word of God for your life in 2022.

ANOINTING OF THE HEART

"Oh, that they had such a heart in them that they would fear Me and always keep all My commandments, that it might be well with them and with their children forever!" (Deuteronomy 5:29). In faith, your heart will be anointed, so you will be inclined to fear the Lord and keep His instructions, that it may be well with you in 2022.

ANOINTING OF THE HANDS

"And He will deliver their kings into your hand, and you will destroy their name from under heaven; no one shall be able to stand against you until you have destroyed them" (Deuteronomy 7:24). So that you may have victory over all your enemies, your hands will be anointed.

ANOINTING OF THE FEET

"Every place that the sole of your foot will tread upon I have given you, as I said to Moses" (Joshua 1:3). In accordance to God's Word, your feet will be anointed that you may prosper in every place the sole of your foot treads upon, in Jesus' name.

SERVICES WILL BE HELD AT ALL TTOR LOCATIONS

HE ALREADY DID!

It's June 8th, and my sacrifice has already started to pay off for my family and me. A client called and said they wanted to see a particular house this morning. I was scheduled to travel this morning and needed to be at the airport at 10:00 am. Instead of scheduling the appointment for the day after my return, I made the appointment for 8:00 am that same day. A miracle happened; my buyer took the house on the first showing! Usually, people want to see a number of houses, but this buyer took the house right away. Not only did they want the house, but my buyer went into contract at the same time that morning. Amazing! I was shouting hallelujah coming out of the showing. I had to be obedient when I took the envelope. I had said I would give hundreds, but God said thousands. I said to Him, "I know before the end of this sacrifice Jesus, You will provide it." He already did!!

HE PROVIDED!

A couple of weeks ago, my car started acting up. Yes, it started the very same time that the month of Sacrifice started! I said, "Lord, I have no money to fix this car, and besides, I made my vow, and rent is due at the same time!" However, I continued to pray, declare, and believe that God would make a way where there seemed to be no way. On the 25th of June, two days before Sacrifice Sunday, my car just refused to start properly. I got so frustrated to the point that I just drove into a Mavis repair shop and said my car wouldn't start, and I had no money to fix it. The guy looked at me like I was crazy and asked to check the car. Long story short, he said, "Don't worry, we have a program where we fix the car, and somebody else pays us." I told him to sign me up! I signed up and got approved! I've never been approved so quickly. Not only did God provide for what needed to be fixed, He provided rent and four new tires as well with seed intact!!! I will continue to believe and trust God because my Sacrifice continues to speak even now.

HE IS AN UNSTOPPABLE GOD!

I am shouting Hallelujah for this God and this TTOR ministry that has taught me to serve diligently! I honestly believe The Temple of Restoration is definitely under an open heaven season; God is blessing those He chooses to bless. I have learned and experienced, based on the teachings of this ministry, that this God cannot be stopped. He cannot be limited. He cannot be restricted. He has no favorites. He has no hidden agendas. He is Simply God all by Himself. During this sacrificial season, God has turned things around for me. Financially, He has given me a double portion. He has blessed family members, and their behaviors are changing. God is truly who He says He is. Thanks to Ms. Liz and Bishop Angelo for allowing me to share in this wonderful experience. God is watching and rewarding. He is an unstoppable God!

TRUST AND BELIEVE IN GOD!

I want to share how God is always good to me. I had applied for my tax refund since late February but hadn't received it. I had gotten an apartment before, but now I am not working because my school closed, so I keep going into my savings that I had put aside to do something great. So in the month of sacrifice, I placed my request and asked the Lord to send his angels into the IRS so that they would release my refunds, and I wouldn't have to keep going into my savings.

Today, I checked my account, and my refund was released. Not only was it released, but I got more than the amount they told me I was getting. They made some changes so that I received my children's child tax credit with my regular refund all in one. To God be the glory! Yes, He did it again for me. I just want to say thanks to you all for your inspiration and encouragement by teaching us how to trust and believe in God.

“Putting Learning into Action”

College-Agency Internship Partnership

Together We Change Lives by Putting Learning into Action

As part of its “Training Up Our Youth” programming, Helping Hands Ministry (HH) partners with New York City College of Technology’s Human Services Department to help college students prepare for careers in the human services field. The internship experience gives students an opportunity to assist HH in delivering its community outreach programming as well learn principles of faith-based social ministry, in exchange for college credits.

My experience was both practical and valuable because I was able to gain feedback on ways to improve on existing skills. I found the workforce development assignments I completed to be extremely beneficial in helping me learn more about employment agencies in Brooklyn. Also, through my interactions with clients, I was able to develop soft skills such as active listening and interpersonal.

The most valuable lesson I learned was the importance of communicating effectively in a professional environment. Another valuable lesson I learned was the importance of being aware of common social issues. The internship will help me gain the necessary skills I need to be competent as a human services professional.

Yudi Wu | Class of '21

My experience as an intern has been rewarding. I learned a lot. My most valuable lesson has been that finishing tasks with efficiency requires effort. This internship has helped me become more organized and improve my time management skills.

I learned a lot. My major assignment was research and outreach to create a community diaper bank. It gave me a lot of knowledge on diaper needs in the community, and how this knowledge is lacking among many people. There were a few moments when I needed more guidance on how to get my work done as well as improve my communication skills. My supervisor, Ms. Carole, was extremely helpful in guiding me.

The most valuable lesson I learned was the importance of human needs and how to approach those needs. Spreading awareness of major human needs and taking action is something I learned, which is very helpful in helping others. This internship has taught me how to approach certain situations and have an action plan. It's a stepping block for something greater for my career.

My internship experience was a very pleasant one. It showed me many things that I needed to learn to further achieve my goals not only in social work but in daily life as well. I learned to show empathy not only with clients but with co-workers and people that are not close to me. For example, a person you may see in school that may not be doing well; you can attempt to make their day by saying good morning. I think I have the edge on that with this agency being faith-based, because its morals are linked to showing empathy.

When comparing school and internships, there is a very big gap. I am like a piece of white paper receiving information and starting to learn. Many things are different from what I learned in school. The internship is training me to become professional, expand my horizons, and help me understand the actual situation of human services. During the internship, I saw that human services workers possess an humane spirit and actively try to allocate resources in society to different populations.

Timika Gibson | Class of '22

I really enjoyed my internship with the ministry. I liked partnering with different organizations who had the same mission and values as the ministry. It shows that there are a lot of organizations that are doing the work by addressing community disparities such as immigration, health equity, mental health disorders, and substance misuse or abuse. I also learned how to address these issues by connecting individuals with the resources and services to improve their quality of life.

Aside from providing individuals

with different skills and coping mechanisms, I think it is equally important that they have a solid foundation when it comes to their faith and values. Applying faith-based teachings and principles is essential because it can really help individuals find support, along with healing, and learn how to resolve their issues.

My takeaway is that I have to continue to do good and help others whenever possible, as well as incorporate faith-based principles and teachings to enhance the therapeutic experience with clients.

GOD IS INDEED FAITHFUL

MONIFA COX
BROOKLYN, NY

At the beginning of June (the month of sacrifice), I was able to purchase a car with no car note. (This was a prayer answered from sacrifice month two years ago) because I was blessed with a temporary job that paid pretty well. In May, I had to have surgery, and during my time out, my employment ended. So I just purchased a car, and now I lost the steady flow of income BUT GOD. As soon as I heard we were doing the sacrifice, I began to pray, asking God what the amount should be and what I should pray for. I waited for a response and continued praying on it but heard nothing, so at the last minute (a few days before sacrifice Sunday), I was sitting on my bed, and the Lord gave me a number to offer unto Him. I immediately thought, "Woah, how can I give that when I just lost my job and purchased a new car." It came to me that's why it's a sacrifice, so I agreed to give that amount, and I began writing my prayer request. I also asked Pastor Liz to write my name on her prayer shawl that was heading to Shiloh. Sacrifice Sunday came, and I was unable to attend church and send my sacrifice and prayer to Shiloh. So I thought, "Ok, it's over, and I missed it." At that moment, something said, "Your name is already there. Your prayer is written. Keep going." So I kept going. My daughter even asked (after a year of not asking) if she could come to church with me, so I knew I had to go. When I got to church, my thoughts were running rampant. I was thinking, "Maybe they will think I'm being rebellious by showing up late. Will it even be effective now?" But God said to keep going. I couldn't wait to just hand it over because the thoughts were overwhelming. I listened to the Word and drowned out the negative thoughts (clearly, satan didn't want me to complete the action). I gave the sacrifice in on Sunday. Midday on Tuesday, I received a message from the same woman who offered me the first position, offering me another position. God is indeed faithful. I know there are more testimonies to come in Jesus name, all for the glory of the Kingdom of Heaven. Hallelujah!

GOD ANSWERS PRAYERS!

I went to TTOR over five years ago, and sister Elisa and pastor Rosalie prayed for my family and me. During my time there, my children and I have received a lot of blessings and a lot to testify about, including jobs and overcoming serious sickness. The pastors encouraged me to file for my disability benefits because of my sickness and what I have been battling in my life, so I filed after I took it to TTOR for prayer over the documents. Two weeks ago, I went to TTOR Jamaica and got the last sacrifice envelope available when pastor Damian was there. I went back on Monday to drop off my sacrifice envelope before bishop left. My blessings have been answered. My social security disability benefits are approved for me and my daughter Allaire. To God be the glory! It shows that God answers prayers; just trust and keep on praying.

PRAYER WORKS!

This includes two testimonies. In 2014, I was working for a company when I got injured on my day off. I immediately notified my boss about my injury. She told me that I could not file for workers' compensation because I was not on the job, but I should call them when I got well. I knew that I could not file for benefits. After a year, I got healed, thank God. I called my boss, and she told me, "Sorry, I cannot take you back because you got injured." I never bothered them again. Two weeks ago, I got a voicemail from that same company saying that they noticed that I was working for them in 2014, and they wanted me to come back to work. They even called my daughter, telling her that they were trying to reach me to tell me to come back to work. Thank God, I don't need them anymore because now my husband and I have our own business! God can take you from the pit and place you in the palace. Prayer works.

Simple Dialogue With [**GOD**]

“... please let Your ear be attentive and Your eyes open to hear the prayer of Your servant which I am praying before You...” (Nehemiah 1:6).

Many people have asked me, “What’s the right way to pray?” or “How should I pray?” My answer is always the same: Just talk with God as you would a friend. Prayer is not complicated. There is no wrong way or place to pray. You don’t have to: be on your knees, hands folded, covered up, in a church, etc. These things are great, but how many times in a day can you actually get on your knees to pray?

If you’re working, driving, walking, cooking, sitting on your bed, etc., you can pray. No one prayer is more powerful or effective than another. In other words: God won’t ignore your prayer because you’re not on your knees. Prayer is a simple dialogue with God no matter when, where, or how.

Far too many complicate it by adding man-made rules and regulations. I don’t have to turn a specific way, cover

my head, rock back and forth, or wash my hands before I pray. I just have to pray! That’s it! God just wants dialogue. He desires RELATIONSHIP. A real relationship isn’t about appearances but honesty and transparency. The more one grows in their relationship, the less they feel they have to impress others. Right? For example, the longer a couple is married, the more comfortable, secure they are; they can be themselves with no pressure to look good every moment.

Simple dialogue is what the Lord desires of us. The simpler, the better. I love talking to God early in the mornings, while it’s still dark outside and the household is sleeping. Sometimes, I walk, or kneel down, or sit at my kitchen table, but I’m there talking to Him. Even while writing this devotional, I’m reading the Word and talking to Him, writing it down as I receive it. Simplify your prayer life. Don’t be concerned with elaborate words, the amount of time you’re praying, etc. Be as simple as possible and be effective. Be blessed.

I WANTED TO KNOW THE GOD SHE SERVED

TARON GALLISHAW
NEWARK, NJ

Before coming to the Temple of Restoration, I was Muslim but wasn't following the way a true Muslim should. I felt like I was forced into becoming a Muslim, and I wasn't allowed to choose who I wanted to serve. That's why I fell back from being Muslim. But I always did whatever I was told to do which was pray five times a day, fast, don't eat any pork, and so on; but it all felt forced. One day, my girlfriend invited me to come to TTOR. I've been coming for about three years now. What really grabbed my attention about TTOR was my girlfriend and her family. They are very big believers in Christ and before I met them, I really wasn't a big believer at all. But I saw the change that was happening in their lives, especially her sister Chelsee. She was going down a path that I wouldn't want anyone to go down, and it just didn't seem like it was going to end well. But I saw that she was starting to grow a stronger connection with God while constantly staying in prayer, and just overall becoming a better person. It made me realize that she was serving someone that was so powerful, and it made me want to have that experience. I wanted to know who she was praising and worshipping; everything in her life was changing and evolving. Now, I am a faithful member of TTOR, and GOD has been pouring his blessing upon me ever since. I recently got baptized, and a week later began the hiring process for the Newark police department.

PRISON OUTREACH MINISTRY

*"In my distress I called
to the LORD, and He answered
and set me free." Psalm 118:5*

There's a class of people that are often forgotten by society. They go unnoticed in most situations, as we keep ourselves busy and our heads down thinking about the list of items we need to finish by the end of the day. We ponder about what matters most to us and our families, while people wane in the shadows of the streets and in other cases, voiceless behind prison walls. As I type this, I'm reminded that every soul has a story, and it's imperative that we take time to hear the heartbeat and identify the humanity of others. Jesus shares it this way: ***"Don't forget about those in jail. Suffer with them as though you were there yourself. Share the sorrow of those being mistreated, for you know what they are going through"*** (Hebrews 13:3 TLB).

This year has been trying times for everyone, and the prison ministry is no exception. Virtual platforms have allowed us to continue working with clients at a limited capacity; however, we've found solace in writing letters, cards, and sending memos of encouragement to those in need. We witnessed breakthroughs and shared excitement with many men and women, as they reunited with their families upon release. We delivered meals during the Thanksgiving holiday, and as we prepare to close out with our year-end holiday initiative for children of incarcerated parents, I'm still overwhelmed by the goodness of God. As 2021 approaches the horizon, I'm excited to see what God has in store for the servants of TTOR Prison Outreach Ministry.

We strongly believe the hundredfold harvest for those who are partners in this ministry. We take great pleasure in being faithful to and extremely serious about our responsibility to see that this ministry remains committed to its calling: to go into all the world and spread the gospel to all creation. This is done through our daily walk of faith and being in total obedience to the Word of God. Here at TTOR, we value the commitment of every partner, and every seed sown in this ministry is considered holy.

Your seeds not only open doors for your life, but they also strengthen our wings as we fly to deliver this great gospel of our Lord throughout the world. We are destined for great crusades in many different countries and to also plant deeply rooted churches in many cities and countries. Another great part of this ministry is the broadcasting of anointed television and radio programs and the distribution of spiritually uplifting literature. In addition, TTOR reaches out and touches lives on a weekly basis through our ministries to the elderly in nursing homes, rehab centers, homeless shelters, and correctional institutions.

So if God is leading you to enter into partnership with TTOR to sow your seed on a monthly basis, I assure you that your faithful partnership will produce great results in your life and the lives of the countless number of people who are being impacted with this glorious gospel of Jesus Christ.

PARTNER

Understanding Partnership

In taking this step of faith, you first must understand what a partnership is. It is a relationship or a bond between two people who share a common goal or objective and have joined forces and resources in order to reach their goals and achieve their objectives. It is through partnership that you can share in the goal of this ministry to reach the world with the gospel. By joining forces of faith and uniting your resources with ours, together we will fulfill this great commitment. Your decision to become a partner should be taken very seriously.

We believe this partnership is a divine bond established by God to fulfill His purpose.

I AM GRATEFUL TO GOD

MANOUCHKA LEONARD
NEWARK, NJ

At the beginning of last year, I was taking Uber back and forth to work. I had a car, but my anxiety was so bad that I was afraid to drive to work. One morning, I met Elisa, who is a member of TTOR Newark. Elisa was very kind. I told her some of my background and my struggles. She got to the front of my job and asked to pray with me. I was so grateful because I am a praying woman and know the power of prayer. She then invited me to deliverance service that Friday night. I told her I would try my best to make it. That Friday, I told my sons we were going to Church. I was so afraid to drive due to my anxiety, but I pushed myself, took the local streets, and made it there. That night, I prayed for God to remove my anxiety. I wrote my prayer request, and the pastor prayed over my children and me. It was so powerful there; they prayed like no other church I had ever been to. They believed in the prayers and made me believe everything was going to be ok. Fast forward. After that night, I kept going and kept praying with them. They were warm, welcoming, and prayer warriors. The pastor prayed with conviction.

I got up one morning and felt God say, "Today, you're going to drive to work." I had been at my job for four (4) years but never drove there. So I trusted God, and the prayer helped me feel stronger. I drove to work that day, and I'm still driving today; it's been over a year now! This is just one of the many testimonies I have experienced at the Temple of Restoration. God is truly there. There is pure worship and genuine love there. They care for you like no other place I have ever been. The pastor will pray for you anytime you need, and his wife answers the prayer line at any hour. I love the fellowship there. All the Team check in on you to make sure you are ok. I recommended TTOR to my sister, and she came once and received the same deliverance I experienced. Now she drives here every Sunday that she's off from work all the way from PENNSYLVANIA! I am grateful to God that He led me there. For anyone looking for true deliverance and a praying church family, The Temple of Restoration is the place to be.

THE LOVE OF CHRIST

I must say I am very blessed to be part of a church that truly cares for its church members. I have never seen any pastors or bishops who went as far as to stand in the gap for their church members. Their going all the way to Israel to pray and fight for us is beyond amazing. I usually see other churches give an invite to travel with them, and the church members most likely will carry their problems to Israel and pray for an answer, but TTOR is really the true example of the love of Christ. I know for sure the devil is not happy because there will be a lot of breakthroughs after those powerful prayers. So let us remember to pray a special prayer for our bishops and pastors who left their families to go and intercede for us. I want to thank you from the bottom of my heart for showing us the love of Christ through the fruit of the Spirit. Not every church nowadays can do what you do on a daily basis. May God bless you all so much that your cups run over.
