GOD WANTS YOU TO GET TO KNOW HIM

"Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in . . ."

REVELATION 3:20

PEOPLE MAY KNOW ABOUT GOD. NOT EVERYONE KNOWS HIM.

To make Jesus your Lord and Savior, say this prayer wholeheartedly and believe it:

"O Lord God, I believe in Jesus Christ, the Son of the Living God. I believe God raised Him from the dead, and I confess with my mouth that Jesus Christ is Lord of my life from today. I receive by faith remission of sins for my soul, and right now in the name of the Lord Jesus Christ, I receive eternal life into my spirit. Thank you Lord; I am saved. Thank you for saving my soul. I am now born again. From today, I am a child of God. Thank you Father."

Welcome to 2023

**“Return to the stronghold, you prisoners of hope. Even today I declare that I will restore double to you.”
(Zechariah 9:12)**

In the Word of God, we can find many people who were PRISONERS OF HOPE. For example, God had promised David the Kingdom of Israel, and Samuel had anointed him for this (**1 Samuel 16:13**). However, after being anointed as King of all Israel, he had to return to tend the sheep.

Many years passed before David’s promise came, and he spent many years being persecuted by the man whose throne he would inherit. I am sure that when he returned to herd his father’s sheep after

Samuel’s anointing, he never dreamed that someday he would have to hide in caves, or that he would pretend to be a madman in order to save his life. After all, God said that he was going to be a king. But in it all, he kept hope alive! In **Psalm 119:82**, David cries out to God saying, *“My eyes fail from searching your Word, saying, ‘When will you comfort me?’ ”*

Many of us can identify with this. Sometimes we feel as if the promise will never be fulfilled. But if we keep hope alive, we will never give in to our feelings! But, in fact, just as it was fulfilled with David, it will be fulfilled with us as well. When we are on the verge of a change, the enemy works ever so hard to discourage us, and

maybe you are tired of believing, but remember only you can make it through this transition to your miracle. If you give in and give up, your breakthrough remains unclaimed or dies. Only you can bring forth the promises. Only you can fight until you see the fulfillment of your dream.

2023 is the year that you must not remove your faith or your fighting gear! When you feel weak, you must turn to God, and God will give you His strength and His wisdom when you do not have your own strength. When we lack, He will sustain us because The Lord gives strength to the weary, and increases the vigor of the one who fails (**Isaiah 40:29**). Wait in faith and hope like a woman waiting to give birth. God does not bring us into labor just to stop the whole process. He didn't bring us this far to leave us now.

Romans 5:1-10, Hebrews 6:9-20, and **Psalm 42** speak of men focusing on despair. Being discouraged or desperate is a result of focusing on our own helplessness. We realize what we cannot do. However, hope is centered on God. It focuses on what God can do. We are limited, but God is not. Hope comes when we don't give up. The problem is that when we stop believing, the enemy steals our hope.

In the year 2023, we must commit ourselves to carrying the seed of hope within our hearts and nurture it with the protection of God's Word. Water it daily with devotion. Wrap it in prayer and ask the Holy Spirit to place ministering angels around it to guard and protect this living hope within us. Ask the Lord to impart wisdom and reveal to us daily how to keep the hope we have been given.

The second part of **Zechariah 9:12** gives us the answer we are looking for: "Even today I declare That I will restore double to you." 2023 is the year for the restoration family to seek the Lord in prayer and prepare ourselves to take possession of God's promises in double for our lives. In 2023, God will begin to release unspeakable breakthroughs for the prisoners of hope.

As I spent time in prayer, God revealed to me things that I am not at liberty to share yet! All I can say is that those who are willing to commit and yield to the leading of the spirit of God in this ministry will experience breakthroughs they've never thought possible. I hear the Lord saying: "My people, I delight in blessing you! Do not throw away your hope or your trust, because I am powerful to save. I will protect you from all evil and surround you with my songs of deliverance (**Psalm 32: 7**). I will turn your valley of tears into a door of hope in 2023 (**Hosea 2:15**). I will allow My rivers of abundance to flow and refresh your dry land in 2023. Just as I did with Joseph, I will cause you to prosper during the seasons of famine and drought (**Genesis 41:54**). Just as I did for David, I will cause you to sit on the throne that I've promised you. Keep looking at Me. Look towards the mountains, where your help comes from. Your help comes from the Lord, the Creator of heaven and earth (**Psalms 121:2**). Take heart and know that I am the God who delights in blessing you.

YOUR BATTLE POSITION!

MRS. ELIZABETH BARBOSA

“Then it was reported to Jehoshaphat, ‘A great multitude has come against you from beyond the [Dead] Sea, out of Aram (Syria); and behold, they are in Hazazon-tamar (that is, Engedi).’ Then Jehoshaphat was afraid and set himself [determinedly, as his vital need] to seek the LORD; and he proclaimed a fast throughout all Judah.”
2 Chronicles 20:2-3 AMP

I tell you, we can never meditate on the Word of God and not get an answer to our every need! Let’s look at the situation here: King Jehoshaphat was minding his own business, ruling his land, and all of a sudden, kings gathered together to fight against him. He was outnumbered, and there was no way in the natural that Jehoshaphat could overcome the army that was coming against him.

Notice what this Word of God tells us. As soon as he heard this terrible news, he felt afraid. King Jehoshaphat was human just like you and me. I love God's Word because it doesn't hide the human side (weaknesses, failures, struggles, hardships, and even defeats) of the men/women found within its pages. It clearly states that he felt afraid. This is a normal emotion that anyone feels whenever they receive any type of bad news. If you hear a bad report from your doctor, you feel afraid. If you get a letter of rejection from your bank, you become afraid. If you receive a negative phone call from your lawyer, you become afraid. If you receive an eviction notice on your door, you become afraid. Fear is normal. However, what we do with it is what will determine our outcome.

As soon as Jehoshaphat heard the terrible news, he became afraid; however, he quickly shifted from fear to faith by purposing in his heart to seek God! He went to God with his fear and the terrible news. He proclaimed a fast in the land, and the people joined him. Jehoshaphat knew that he couldn't win over this enormous army that was coming against him. He knew that if God didn't help him, he would be a goner! Do we know this too? Are we fully aware that if God doesn't help us, we cannot be helped? Are we aware that if God doesn't do it, it won't get done?

Where is our trust? Is it in God or in our own ability? When a storm hits, where do we go: to the phone or to the throne? When a trial is before us and is pulling out of us every ounce of energy we have, what do we do? What is our battle position?

In order to gain victory in any battle, our position must be on our knees! We cannot gain the victory if we are in the wrong position. Jehoshaphat called a fast, and fasted with the people and worshipped God! They knew Who He was and that He was faithful. Do we know that He is faithful? Do we know that ALL THINGS WORK TOGETHER FOR THE GOOD OF THOSE WHO LOVE GOD AND ARE CALLED ACCORDING TO HIS PURPOSE? God has a plan for your life. Even what the enemy meant for evil, God will turn it around! Yes, He will!

Stay in your rightful battle position! Don't move from your position! Hold your position! God is god all by Himself! He sees it all, and He knows all. He will give you, the victory! Jehoshaphat didn't have to lift a hand. As he and his people praised and worshipped God, his enemies turned on each other and killed each other until there was not one left! God is god all by Himself! Don't worry about who is against you, just keep your battle position and let God be God in your life. Be blessed.

GOD RESTORED MY PEACE

I joined The Temple of Restoration 13 years ago (October 2009).

Before I joined TTOR, I had anger issues; I was arrogant and full of hatred and jealousy. I was not a very good parent. I was living a life that was not pleasing to God. I was a churchgoer, but that didn't make me a better person. I was still the same until the day I visited The Temple of Restoration for the first time, and God changed my life. I was taught the Word of God... (forgiveness, humbleness, and obedience).

In 2015, I had fibroids and was bleeding a lot. I told the pastor's wife about my problem. She prayed for me, and the bleeding stopped from that day to now! In 2016, I had a problem with pain in my breasts. I went to a doctor at Baragwanath hospital and was told that I had 15 lumps in my breasts. As a result, I

went to the hospital every Wednesday. I went one Wednesday, but the machine for my checkup wasn't working. I was told that I would be transferred to another hospital for further tests. They would call me and let me know when I should go. During that waiting period, I asked Pastor Mandla to pray with me, which he did. I am now healed! I no longer have lumps in my breasts, and they are not painful anymore.

My mom used to drink alcohol to the point where it even affected us at home. She would swear, shout at us, and say hurtful words. I asked the pastor and his wife to pray with me, which they did, and the situation at home improved.

God has been blessing my family and me. I was praying for a financial breakthrough for my daughter; she ended up getting a promotion at work. She is now in management. I'm completely healed, there is now peace in my family, and I also have peace within me.

God restored my peace and everything that the enemy stole from me. **John 10:10** says, ***"The thief comes only to steal, kill and destroy; I have come that they may have life, and have it to the full."***

God renewed and restored me through The Temple of Restoration, and for that, I am grateful to God, and I thank Pastor Mandlenkosi Dlamini.

I AM FOREVER GRATEFUL TO GOD

I have been attending The Temple Of Restoration for the past 4yrs. Since attending TTOR, I have learned to hope in God always, put my faith in action, and stand still and see the Salvation of God. This I have experienced not once, but many times in my finances and family.

DENNIS MASALAMONY

Last Saturday, Pastor, in his Facebook Live, invited everyone watching to write five things we needed God to do for us before the end of December 2022.

My wife and daughter had been in the USA for less than a month, and I had just submitted their application for a green card. The immigration department responded that it could take up to 120 days to complete the process.

One of my greatest desires was for all of us to visit my mother in Canada very soon. So not having to wait four months to hear from immigration was very important to me.

The very moment the pastor sent out the invitation, I wrote my list of 5 requests. Two of them were green cards for my wife and daughter. Sunday morning, I put my list in the hands of the pastor, and he, along with all the servants at church, did a strong prayer from the altar during his service. I stood in faith and believed that as the prayers were going up in faith, God was giving his angels charge to work on my behalf to reduce the length of time I had to wait for my family's documents to be processed.

The following day, I checked my mailbox and was so happy and excited to see two letters from immigration with both my wife's and daughter's green cards in them.

I am forever grateful to God for answering my prayers and for the servants of TTOR standing for us. With this blessing, my family and I can now travel to Canada as a family to see my mom. To God be the glory, great things He has done.

By Faith

MRS. ELIZABETH BARBOSA

“NOW FAITH IS THE ASSURANCE
(THE CONFIRMATION, THE TITLE DEED)
OF THE THINGS [WE] HOPE FOR, BEING
THE PROOF OF THINGS [WE] DO NOT SEE
AND THE CONVICTION OF THEIR
REALITY [FAITH PERCEIVING AS REAL FACT
WHAT IS NOT REVEALED TO THE SENSES].”

HEBREWS 11:1 AMPC

Peace, joy, life-changing power, strength, wisdom, courage, right standing, blessings and so much more are found in this one thing: FAITH.

Faith isn't a feeling at all but an assurance. This is what I love about God and His Word. God looks for people of faith in order to do something great in them and through them. Faith doesn't choose perfect people; it doesn't choose people without errors or mistakes, people of high standing, or people who descend from a nice family or high-class society, faith comes to anyone who desires to use it.

Faith is an assurance. It's that inner confirmation that you receive when you pray and cry out to God concerning a certain thing. We may not see the result right now. It may not be a physical reality yet, but inside of us, we know that we know, that we know it has taken place. So much do we know that we speak about it already as if it has already happened! Yes, this is faith!

Faith doesn't utter negative words but words of encouragement and hope. It is the fuel that keeps a believer going. Faith ... everyone has it but few use it correctly. My dear reader, when we live by faith, NOTHING becomes IMPOSSIBLE. Even what may be impossible in the natural, God will change it around and make it possible. Is it possible for an ocean to open before a set amount of people so that they can walk on dry ground? But faith made it happen! Is it possible for the River Jordan in the springtime (high tide season) to open up for a specific group of people to cross over into the Promised Land? But faith made it happen. Is it possible in the natural for an

old woman past the age of childbearing to bring forth a son? But faith made it happen. Is it physically possible for water to come out of a rock like a mighty river? But faith made it happen. Is it possible to feed a multitude of five thousand men (not counting women and children) with only five loaves and two fish? But faith made it happen. Is it possible to dip yourself in a (not so clean) river seven times and the sickness of leprosy disappear from your body instantly? But faith made it happen. I can go on and on with Biblical and modern-day examples of miracles of faith.

The Word tells us that: ***"...without faith it is impossible to please and be satisfactory to Him. For whoever would come near to God must [necessarily] believe that God exists and that He is the rewarder of those who earnestly and diligently seek Him [out]" Heb. 11:6 AMPC.*** So we read and understand that we can only come before God by faith. We don't see Him, but we know that He is there. For this reason, faith is foolishness to the world, for they need to see and be able to explain something in order to believe in anything. But not us, we are called believers because we believe without seeing. Glory! Hallelujah! BY FAITH!

No matter how impossible that problem may seem, by faith you will come out of it with victory in your hands. That problem may seem big, but I can assure you that if you spend more time before the LORD and in His Word, speaking and meditating on it, the size of that problem will shrink drastically! Be blessed.

MY BREAKTHROUGH

**TRACY
ROWLAND**
BROOKLYN, NY

Oh, it was right in the month of sacrifice that my roommate, whom I had shared an apartment with for two years, told me I had seven days to move out! Sad and discouraged, I texted Miss Liz, and she told me not to worry; we would pray. She said that it was funny how this happened in the Month of Sacrifice and to keep in faith.

So I called the very first apartment I went online to look at. They gave me an appointment to come in and told me I needed to bring current paystubs and bank statements, neither of which I had!!! I was out of work due to an accident that left me on disability. But I did have paystubs from the job that I worked at three years ago before the accident. So I still decided to go using my faith with only old paystubs and no up-to-date bank statements. (I learned that from my Bishop Angelo, who told me he went to buy a building with no money, just faith!)

While waiting at my appointment, I texted Miss Liz because I was nervous and asked her to stand in agreement with me on the promises of a thither, but before I could get a response back from her, it was time for my appointment with the leasing agent.

He was very nice before he asked for any paperwork. He showed me the studio apartment, and then we went back to the leasing office. It was time for me to give him the paperwork. When I explained my situation and he looked over the paperwork, he told me that I did not qualify. I left very upset, disappointed, and heartbroken because I actually loved the apartment. So I decided to text Miss Liz again. Then I saw that she had responded to my earlier text saying that she would be praying. I immediately let her know the bad news that I didn't qualify, and she responded by saying the most powerful thing to me, "God is your qualifier!!" It gave me encouragement to just go online and continue to look for another place.

The very next day, to my surprise, the man from the leasing office called to tell me that I was qualified! He ran my credit check and got a second

guarantor that would accept my application! I was surprised because I didn't have any pay stubs or bank statements. It had to be only God for the prayers of the righteous availeth much! He said that we needed to proceed with the paperwork as soon as possible, so I went to see him again with the application fees. He told me he had a surprise for me. It was a one bedroom instead of the studio for the same exact price!!! Wow, this is God !!! So now God had blessed me to leave her place before the seven days were up; He did it in 5 days! A one-bedroom apartment instead of the studio I went to see, at the first and only place I looked, at a price I can afford. It has all of the amenities and more that are expected to be in a Manhattan high-rise apartment building, 24-hour security guard, swimming pool, laundry in the basement, library, tennis court, soccer field, basketball court, and a park for the kids, all in the building complex. I know this can only be from heaven and the prayers of the righteous that availeth much. I thank God that He gave me my breakthrough in the month of sacrifice. God is faithful!

Good afternoon, Pastor Elizabeth; this is my testimony. I went to the emergency room in June 2022 and was told that I had something on my left lung, so I went to a lung doctor in October. I took x-rays, and the results came out to be stage 1 cancer. On November 22nd, I had surgery, and it went well. On December 14th, I went back for my appointment and received an awesome report. I don't have cancer anymore, and I don't have to do any treatments. Hallelujah! I am thanking God for His favor and for all you guys from the Temple of Restoration family that prayed with me and came in agreement with me when I sowed my seed when Bishop went to Shiloh.

BELIEVE ME, ANYTHING IS POSSIBLE THROUGH CHRIST

MIKEKO
ANGLIN
JAMICA, W.I.

To God be the glory for all the things that He has done. I'm from Kingston, Jamaica, and my name is Mikeko Anglin, and I'd like to share my testimony with you. In December 2021, I was viewing the Temple of Restoration's online service when I overheard Bishop Angelo mention that he would be going to Israel. I then made the choice to sow a seed, so I wrote and emailed my prayer request from Jamaica. I remember praying and asking God to help me pay for my university tuition for the academic year 2021/2022. Later that week, I purchased a book and completed my goals, vision, and mission for the year 2022, basing them on **Habakkuk 2:2**, which states: ***"And the LORD answered me, and said, 'Write the vision, and make it plain upon tables, that he may run that readeth it.'"***

A few weeks after the impartation service, I recall receiving a text message while I was home informing me that my entire tuition had been paid and had been deposited into my school account. Can I just say that I was so grateful and blessed that night that I gave God all the glory and honor! Believe me; anything is possible through Christ. What he accomplished for me, he will accomplish for you as well. God bless you all.

7 Fridays of Anointing

THE ANOINTING OF POWER LINK OF PRAYER SERVICES ARE BASED ON **ISAIAH 10:27**, "IT SHALL COME TO PASS IN THAT DAY THAT HIS BURDEN WILL BE TAKEN AWAY FROM YOUR SHOULDER, AND HIS YOKE FROM YOUR NECK, AND THE YOKE WILL BE DESTROYED BECAUSE OF THE ANOINTING OIL."

ANOINTING OF THE HEAD

"You prepare a table before me in the presence of my enemies; You anoint my head with oil; my cup runs over" (Psalm 23:5).

The head is considered to be the center of intellect which involves our thoughts, memory, understanding, and emotions. The head is the most important part of the body. The successful functioning of the entire body depends on the head. For this reason, your head will be anointed as a symbol of the Lord's blessings upon your head in 2023.

ANOINTING OF THE EYES

"And Elisha prayed, and said, 'LORD, I pray, open his eyes that he may see.' Then the LORD opened the eyes of the young man, and he saw" (2 Kings 6:17a).

Blessed are those who have eyes to see. If your spiritual eyes are opened, you will see life from God's perspective. But like the servant of Elisha, if they are not opened, you will only see what the enemy wants you to see. So in this faith, your eyes will be anointed to align your vision with God's vision for your life in 2023.

ANOINTING OF THE EARS

"The heart of the prudent acquires knowledge, and the ear of the wise seeks knowledge" (Proverbs 18:15).

By faith, your ears will be anointed so that you may be inclined to hear the instructions of the Lord in 2023 and walk in victory.

EACH FRIDAY WHEN YOU ATTEND THIS DELIVERANCE SERVICE, YOU WILL BE ANOINTED TO EMPOWER YOU IN A SPECIFIC AREA OF YOUR LIFE. DEAR FRIEND, MAKE EVERY EFFORT TO PARTICIPATE IN ALL SEVEN WEEKS OF PRAYER AND RECEIVE THE ANOINTING THAT DESTROYS YOKES AND LIFTS BURDENS, SO THAT YOUR LIFE WILL NO LONGER BE THE SAME.

ANOINTING OF THE MOUTH

"A man's stomach shall be satisfied from the fruit of his mouth; from the produce of his lips he shall be filled" (Proverbs 18:20). Your mouth will be anointed so that your confession will be positive and aligned with the Word of God for your life in 2023.

ANOINTING OF THE HEART

"Oh, that they had such a heart in them that they would fear Me and always keep all My commandments, that it might be well with them and with their children forever!" (Deuteronomy 5:29). In faith, your heart will be anointed, so you will be inclined to fear the Lord and keep His instructions, that it may be well with you in 2023.

ANOINTING OF THE HANDS

"And He will deliver their kings into your hand, and you will destroy their name from under heaven; no one shall be able to stand against you until you have destroyed them" (Deuteronomy 7:24). So that you may have victory over all your enemies, your hands will be anointed.

ANOINTING OF THE FEET

"Every place that the sole of your foot will tread upon I have given you, as I said to Moses" (Joshua 1:3). In accordance to God's Word, your feet will be anointed that you may prosper in every place the sole of your foot treads upon, in Jesus' name.

GOD IS A FAITHFUL GOD

I was in faith fasting, praying, and believing that God would honor me as the scripture says that in His time, He makes all things possible.

In November 2021, I applied for my citizenship, although I was told that I did not meet the requirements because I had to wait five years after I got my permanent resident card. Yet I applied in faith, though it wasn't three years yet.

For the first few months, it appeared as if God was silent, and the enemy kept reminding me how long I was waiting. The attacks were constant, but I kept being reminded of 2 Peter 3:8, ... "with the Lord one day is as a thousand years, and a thousand years as one day." So with that in mind, I kept saying that I was in my day one.

On February 25, 2022, I received a letter saying that my application was received. I took a copy of the letter to our Tuesday night Service of Glory, believing God to favor me. That night, Pastor preached about: the competition being rigged in our favor. I gratefully held on to that word, and this time I was certain that everything was already done.

In March, I received a letter stating: We are actively reviewing your form n-400, Application for Naturalization. Our record showed that nothing is outstanding at this time, and we will use your biometrics on file (this was three years old). I said, "Thanks to God." I already knew all the answers to the questions because I was studying even before I received my letter.

On June 17th, I received another letter stating: We scheduled an interview for your naturalization application. I was amazed by the God that I served as I watched all the notices coming,

and then the interview being set. I was beyond elated, for the day was finally here.

On the day of the interview, I anointed myself and went in faith. But things didn't work out the way I had envisioned. The interviewer was unpleasant, upset, and angry. She asked me why I applied for naturalization when I knew that it was not yet time. I never said a word. I just kept praying in my heart. She then grudgingly told me that I had passed the test, but she couldn't approve the application. I told her thank you and left.

I was very disappointed but did not allow her to see that. On my way home, I was speaking to God in my heart, asking Him what I did do wrong because I was convinced that it was my fault. When I got home, I replayed the interview in my head and realized that there was nothing I could have done differently.

The following Friday night, Pastor's message was: Stand still and see the salvation of the Lord! When you can't do anything about the situation, when it seems as if nothing is changing, stand still and see the salvation of the Lord. I went back to fasting and praying, believing God to honor me. A few weeks later, I received another letter stating that additional documents were needed in order to move forward with my application. I took the letter, anointed it, and carried it with me to church every Tuesday Night of Glory service. Though I had already sent in all the required documents, I sent them again, believing that God was going to work everything out for me.

Three months later, I received another letter saying that they had scheduled my oath ceremony for my naturalization.

The Tuesday before the interview, Pastor preached about Nehemiah rebuilding the wall and his enemies coming against him even though it wasn't finished. When I went home, I was thinking about the first interview and how it ended. Then I realized that, like Nehemiah, it was just a distraction sent to try and get me to stop believing. But thank God that even when I was unfaithful, He remained faithful.

I went to my ceremony, and before it started, I was praying, and the Lord showed me a few things. In **Nehemiah 6:15**, which Pastor preached from, the bible says, So the wall was finished on the twenty-fifth day ... in fifty-two days." The date of the ceremony was the 27th (52-25= 27), and right then, **Jeremiah 1:5** came to me, "Before I formed you in the womb I knew you." Thank you, Father, because even before I started the process that man said was too early for me to do, You had ordained the 27th to be my victory date!

I thank the bishops, pastors, and all the servants of the Lord, who daily teaches us the importance of trusting the Lord wholeheartedly. I am very glad for the day I walked into the doors of The Temple of Restoration. God bless this ministry, its leaders, and everyone who is a part of it.

“Putting Learning into Action”

College-Agency Internship Partnership

Together We Change Lives by Putting Learning into Action

As part of its “Training Up Our Youth” programming, Helping Hands Ministry (HH) partners with New York City College of Technology’s Human Services Department, to help college students prepare for careers in the human services field. Internship placement is coordinated through the Academic Internship Coordinator at New York City College of Technology’s Human Services Department.

The internship experience gives students an opportunity to assist HH in delivering its community outreach programming as well as gain a foothold in faith-based social ministry work, in exchange for college credits.

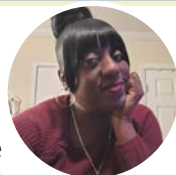

The key principles of faith-based social ministry that the interns learn about are:

- Offering the community faith-based responses to social issues
- Linking faith with social responsibility
- Meeting practical social needs of the community

Students also gain practice in disciplinary skills, exposure to the habits of professional practice, increased self-awareness, expansion of social and professional networks, and résumé building.

Yvette Heath

y.heath@restorationtime.com

While working with the Helping Hands Ministry, I had the opportunity to learn about various programs and organizations that helped the underprivileged community. Being an intern has taught me about programs and opportunities that are not announced to the disadvantaged on a regular basis. I have learned there are so many resources available that offer a helping hand, but the underprivileged may not know about them.

The NYC Home Energy Assistance Program was very interesting to me, and I actually learned a lot that I didn’t know. I was also able to relay this information to a few family members and friends that were experiencing hard times. I felt good to be able to help. I researched the information and was able to direct a few people in the right direction for help. It was informative and exciting, and I felt a sense of fullness knowing that I was able to assist someone in their time of need. This is the satisfaction I received while interning at Helping Hands, a wonderful agency. With much thanks to Mrs. Carole.

Fall 2023 Interns

Adebowale Atewologun | a.atewologun@restorationtime.com

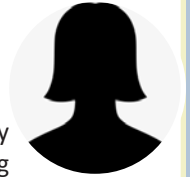

Overall, my experience this semester as an intern at The Temple of Restoration Helping Hands Ministry has been interesting because I have always wanted to work for a church to grow spiritually and help other people grow spiritually as well as mentally and physically. I believe that working with the Temple of Restoration will help me to become more dedicated and influential in regard to social work when it comes to the field of human services.

Teaserlene Jacobs
t.jaccobs@restorationtime.com

During my internship at The Temple of Restoration: Helping Hands, I learned the importance of teamwork and time management from Ms. Carole. Ms. Carole (supervisor and coordinator for interns) led with great communication, delegation, active listening, empathy, and empowerment skills. She has shown great interest in my ideas outside of the office and class, giving me encouragement to pursue my own goals to serve my community. I look forward to working with her and this organization in my second-year internship for Winter 2023.

Samantha McNeil

I would like to extend my warm thanks to Helping Hands Ministry for hosting my internship and for the exciting opportunity. It has been a period of great learning and valuable experience for me. Ms. Carole is a gift from God, and I would like to express my gratitude for her. She has helped me expand my mind and deepen my understanding and other values. Her advice and experience have been truly invaluable and helpful throughout these past months. Being selected for this internship shows confidence in my ability, and I sincerely appreciate the opportunity.

Zenabu Yahuza | z.yahuza@restorationtime.com

My school placed me at the Temple of Restoration, Helping Hands Ministry, for my internship this semester. Ms. Carole was my supervisor during my internship. I had an excellent relationship with Ms. Carole as she helped me reinforce designed behaviors and actions in social work. It was a great experience working under her supervision. Besides having an excellent supervisory relationship, I learned more about the Helping Hands Ministry and the Temple of Restoration as I helped in different outreach programs, including working with the youth. One significant experience was assisting with the ministry's 2022 Small Business Entrepreneurial Training Program with Operation Hope.

Generally, the internship allowed me to interact with people from different racial, gender, age and religious backgrounds. In

particular, despite subscribing to a different religion (Islam), I got an opportunity to work in a Christian organization. I had previously had concerns about religious differences and whether they would influence my internship experience. However, the Helping Hands internship offered an excellent opportunity to understand better the concepts of diversity, inclusion and cultural competence. Therefore, working at the Helping Hands Ministry helped me gain a heightened consciousness of how religious and culturally diverse populations experience their uniqueness and deal with their differences and similarities within a larger social context. Contrary to my fears, I had an excellent experience, which involved much learning despite working in a Christian organization as a Muslim. Lastly, the Helping Hands internship offered a challenging opportunity to grow professionally and emotionally, which prepared me for the social work field to provide quality services to clients.

GOD IS INDEED FAITHFUL

When I came to TTOR, I was living a very destructive and addictive lifestyle. I'm a US Army Honorable Discharge Female Veteran. After getting out of the military, I became addicted to drugs, alcohol, and the streets. The VA sent me to programs for my addiction, but they never worked. It only made me want to use more. And those I was in the streets told me that I would never leave the streets or the addiction until dirt was thrown in my face, meaning that I would die before my life changed. The devil is a liar! This went on for ten years or more. Then one day, I walked into TTOR. I knew of God, but I didn't know God. Throughout my time attending the TTOR services, receiving prayer, the Word, and applying it to my everyday life outside of church, I was delivered, healed, and learned faith and the power of prayer. It was a process. God did a transformation in me, which changed my life. I also learned the importance of tithes, offerings, and sacrifice, which I'm cheerfully willing to give. It's not easy, and He never said it would be, but I will trust God no matter what. My family is blessed, my home is blessed, my finances are blessed, my health is blessed, etc. God is so awesome and wonderful. I would have never thought in a million years the way my lifestyle was before coming to God that I would be on movie theater screens nationwide, television shows, all networks, and streaming. I have gotten selected by some top actors to work with them: Denzel Washington, Christian Slater, Alec Baldwin, etc. I have even performed on Broadway. I can go on and on as. I'm working on a few law enforcement tv shows. I was called/selected by directors. I had no performing arts training at all. It's all God! I'm so grateful beyond measure that I walked into TTOR. I'm grateful to God for the teachings, the Word, and the prayers of my Bishop and all the pastors, servants, and assistants. Today, I am so wonderfully blessed, even if God didn't do anything else for me. I'm here, delivered, and have a new life in Christ. I wouldn't ever, ever change that. God can do anything. It's nothing, I mean nothing, my God cannot do. I give God all the glory. The glory belongs to God!

I THANK THE LORD FOR DELIVERING ME

Greetings, TTOR family. My name is Fridah Mashilwane. I am from Alexandra, and I am a member of The Temple Of Restoration. Growing up, I was a person who was full of anger and blamed other people for some of my failures in life. I started smoking dagga and cigarettes at the age of 14. I became addicted to the point that a day wouldn't go by without me smoking. It was bad. In 2017, I was invited to the church by one of the assistants to come and join one of the deliverance services where the pastor prayed for me. As time went on, I continued to attend the Friday services, which changed my life for the better. Today, I am completely free from addiction, and I no longer smoke cigarettes. I no longer have anger issues. Now there is peace in my house, and I was also water baptized in 2018. I thank the Lord for delivering me. There is nothing impossible with God. Also, the prayers from the pastors at The Temple Of Restoration helped me a lot. I'm grateful.

GOD RESTORED MY PEACE

My name is Zesipho Somtsewu from Marlboro. I visited The Temple of Restoration in May of 2021; It was on a Wednesday (Bible study). My life was a mess. I had been depressed since 2018, and I thought that there was no way out. I had tried to end my life the previous week before visiting TTOR. That May, I was on my way from work, and the only thing I had in my mind was that when I got home, I would try again to end my life. As I was walking past TTOR, I decided to go in and check it out. I went inside, and people were praying. At that moment, I felt safe to let it all out. I managed to pray, and the weight on my shoulders was lifted, and my mind was calm. After the service, the pastor sat down with me and prayed for me. When I got home, I managed to do the things I was not doing anymore, like cleaning and cooking. I had a peaceful night after a long time. Not only did God restore my peace, but I was also promoted at work. They gave me an increment of 60%. This was something that had never happened before. But more than anything, I found a loving family at TTOR. I'm so grateful to God for His faithfulness and the restoration He is doing right now in my life of everything that the enemy convinced me was lost. I'm also grateful that TTOR is open Monday to Monday because if it was not opened that day I passed by, I wouldn't have gotten a second chance in life and also the peace and joy that I'm experiencing now in Christ. I would also like to thank Pastor Mandla for His prayers and follow-ups. GOD IS GREAT!

THERE IS HOPE IN YOUR FUTURE

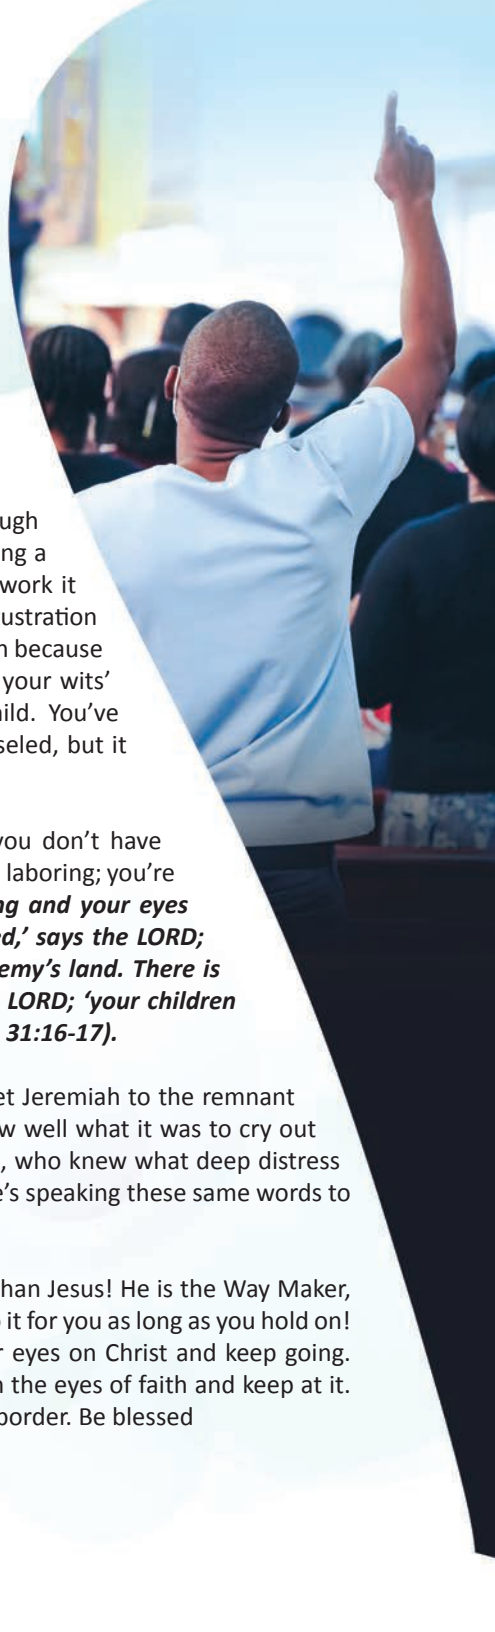

MRS. ELIZABETH BARBOSA

No matter what you may be going through right now, there is hope. Maybe you're facing a difficult financial situation. You've tried to work it out, but nothing has come out of it but frustration and disappointment. You're ready to just run because you don't know what else to do. You're at your wits' end! Maybe, it's a problem with your child. You've done everything: prayed, fasted, and counseled, but it seems as if he/she is getting worse.

Hold on; there is hope! Yes, even when you don't have another tear to shed, you're exhausted from laboring; you're DONE! ***"...Refrain your voice from weeping and your eyes from tears, for your work will be rewarded,' says the LORD; 'and your children will return from the enemy's land. There is [confident] hope for your future,' says the LORD; 'your children will come back to their own country' "*** (Jer. 31:16-17).

The LORD was speaking through his prophet Jeremiah to the remnant of Israel who had been scattered, who knew well what it was to cry out day and night making their tears their food, who knew what deep distress was because of their children's situation. He's speaking these same words to us today.

There is hope! Our hope is in nothing less than Jesus! He is the Way Maker, the Peace Giver, the Joy Filler, and He will do it for you as long as you hold on! Don't get weary or discouraged. Keep your eyes on Christ and keep going. There is hope in your future. Look at it with the eyes of faith and keep at it. Your children shall come back to their own border. Be blessed

GOD HEALED MY DAUGHTER

I have been a member of The Temple of Restoration for 13 years. I first heard about the church on Jozi Fm. I first visited one Sunday in October 2009. I had a huge weight on my shoulders and was filled with uncontrollable anger. But as I stepped in, I felt like I was at home. The weight on my shoulders was lifted, and from that day, I told myself that this was now my home and I would fellowship at TTOR.

In 2015 something painful happened, and I couldn't understand it. I asked God many questions as my child became disabled that year. But the Lord that restores at The Temple of Restoration restored my daughter's life. She was sick that year, and the doctor couldn't find what was wrong with her. I was referred to the hospital. After she was tested, they discovered that she had a rare disease (scleroderma). There was no specific treatment for this disease, but they would try different medications, and if she didn't respond, she would have to undergo chemotherapy.

Upon receiving the news, I knelt down to God and prayed. I told my daughter that the Lord that we serve would not allow this to happen; she would be given treatment, not chemotherapy, and indeed, she was given treatment. There's power when we prophesy with our mouths.

While she was still recovering, we discovered that her right leg was not working. Examinations were done, and the doctors concluded that they would need to take some tissue from the other leg since some of the body tissues on the leg that was not working were dead. I refused. I had Faith that my God heard my prayers, and He would not let me down. The TTOR family (pastors, pastors' wives, assistants, and members) were praying with me from the beginning. My daughter started to recover. Until she fully recovered, the hospital gave her a fake leg to support the leg that was not working. One Sunday, when I was coming back from church, she told me that she was now able to move her leg and her toes; since then, she has been completely healed!

I saw the power of God in my daughter's life, and I am grateful to God for the strength that He gave me during that difficult time. Through my Faith and the prayers from the Pastor and the TTOR family, God healed my daughter. We serve a God that is able!

WHAT A MIGHTY GOD WE SERVE

In 2020, I was dealing with a lot of church hurt that lingered with me into 2021. In the summer of 2020, I walked away from the church; I was also mad at God. I started partying and dating unsaved men. In September 2021, everything started to fall apart. The person I was dating walked away, and I lost my job. There was no peace where I was living. I was hurting so much inside and fell into a deep depression. I was in bed from Sunday to Thursday. I didn't get up; I didn't eat; I didn't even take a shower. I gave up. I just couldn't see the light; there was just darkness around me. I was comfortable with the idea of dying.

On Thursday, my friend told me that I should get out of bed, and for some reason, I pushed myself out of bed that day. While we were on the road, someone who was giving her food from The Temple of Restoration called her to come for food for her kids. I went with her, and Pastor Jordan invited me to the deliverance service on Friday. I really pushed through a long battle of why I should go vs. why I shouldn't go. I pushed through, and Bishop Anthony was there that Friday night, and after he spoke over my life, I felt like a burden was lifted off of me. I could see the light again. I was so happy. I was spreading the word telling everyone that they had to go to TTOR because God had delivered me. I went back to church the following Sunday,

and that's when God really poured out his anointing on me. I couldn't hold it in. I just began worshipping God and giving him thanks. Since that day, I haven't been in that dark place again. No matter what is going on, I never feel like life is not worth living; I keep pushing. I really thank God for The Temple of Restoration because I wouldn't be here today had I not gone to that deliverance service.

Part 2: Like I said, I lost my job and wasn't working for a couple of weeks, maybe months. I wanted to rent an apartment for my son and me but couldn't afford it. I didn't know where the money would come from. One Sunday after church, Bishop Anthony called me and prayed for me and my finances, although I never told him about the financial struggle I was

having. After that, God opened financial doors. So I started going to church regularly and paid my tithes even when I didn't go. In January 2022, one client I worked with gave me the money I needed for the deposit. I was amazed at how God was working things out for me by going to church, listening, learning about faith, and trusting God. I decided that I was going to trust God to help me get this apartment. Again, I spoke to Pastor Jordan. He prayed with me and told me that I should just believe that it was already done. I applied for the apartment, and the following day they called and said I should come to look at it, and if I liked it and made a deposit, it would be mine. I went, saw it, paid the deposit, and moved in February. It's been almost a year since I've lived in my apartment, and I don't owe any rent. What a mighty God we serve!!

GOD HAS BEEN FAITHFUL

I joined The Temple of Restoration (TTOR) 10 years ago. Before I became a member of TTOR, I was living a difficult life. I had anger issues, I was bitter, and I was also in an abusive relationship. Financially, I was defeated. I also had many bad friends and lived a life of pleasing them.

The first day I came to TTOR, while the pastor was preaching, the Word of God touched me, and it was like the pastor knew my situation. That's when I decided to continue to fellowship.

As I continued to come, I was taught about obedience, the importance of living by the Word of God, as **Luke 11:28** says: ***"Blessed are those who hear the word and obey it."*** That's what I did. I heard the Word and started to obey it. I started using my faith and made a decision to be faithful with my tithes. I've learned that when you're faithful with the least, God will entrust you with much. I was then healed in my soul and spirit. God took away the anger and bitterness.

Before, there was no unity in my family, but now we are a united family. My sister had a cancerous lump in her breast and was supposed to have an operation.

Pastor Mandla Dlamini prayed with me, although my sister was not present. On the day of the operation, I was at church, and the pastor prayed. When my sister got to hospital, the doctor could not find the lump anymore. She was completely healed from that day until today. Glory to God!!

I have also had financial breakthroughs. I got a job, but things were bad at work, but I continued praying and having faith. The assistants at TTOR were praying with me. It was hard during the covid period, but I never stopped giving my tithes. I was faithful to God. My colleagues hated me to the extent of lying about me to our employers. I almost left my job, but I'm grateful for the encouragement I got from TTOR and also the prayers. God has since vindicated and blessed me. My employers now trust me, and they even left the company in my hands and put me in charge of a lot of things. I got increment, transport money, and overtime pay; before they didn't want to pay me for overtime.

I am grateful to God. Ever since I became a member of The Temple of Restoration, God is blessing me. If you believe, you will see the glory of God. I give glory to God, and I am grateful for the pastors and servants of God at TTOR.

THANK YOU GOD FOR YOUR GOODNESS

First, I give God all the glory, thanks and praise for He is my everything, and for all the wonderful things He has done and continues to do each day in my life. I was expecting much-needed money from an insurance company (related to my job). I was contacted twice by agents who said I wasn't qualified because my policy was inactive due to several missed payments. I was so vexed thinking about all the years that I had paid.

After the deliverance service one Friday in September, God laid it on my heart to speak to Pastor Rosalie about it. She said, "Call again!" I did just that first asking God to put his agent to answer the phone and give me the words to say. This agent did not check my policy status but immediately put in my claim stating I would be contacted for more information.

In October, I prayed and wrote prayer requests with all of the claim information and put it in the anointed oil jar at church. I received several phone calls requesting more backup which I provided.

God then told me to attend the winners service to receive this blessing. However, I missed two consecutive Mondays because of family issues. When I arrived outside church the third week, I got a phone call that my claim was approved. I rejoiced thanking God for my blessing. Later that day, I got another call requesting more documents. When I told him about the earlier call, he said it couldn't be approved because they didn't receive all the required documents. Afterward, I exclaimed, "Devil you are a Liar. God already gave me my blessing. It's mine!" and went about my week thanking God.

That Saturday, I saw money deposited into my account; my first payment of \$6000. All the Glory belongs to God. Only God can make me receive money when I was delinquent with dues for months. I am thankful for this much-needed blessing for it came just in time to pay my bills, tithe, plant my fishnet seed, and give offerings believing that 2023 will be the greatest year in every aspect of my life. Thank you God for your goodness and for all that is to come. My hope is in you.

Understanding Partnership

In taking this step of faith, you first must understand what a partnership is. It is a relationship or a bond between two people who share a common goal or objective and have joined forces and resources in order to reach their goals and achieve their objectives. It is through partnership that you can share in the goal of this ministry to reach the world with the gospel. By joining forces of faith and uniting your resources with ours, together we will fulfill this great commitment. Your decision to become a partner should be taken very seriously.

We believe this partnership is a divine bond established by God to fulfill His purpose.

Faith-Health Partnership to Improve Community Health

***“Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers”
3 John 1:2***

As part of its “Love in Action” programming, which focuses on health, Helping Hands Ministry (HH) has developed a strategic partnership with the NYU Langone Institute for Excellence in Health Equity (IEHE). This partnership will facilitate and strengthen HH’s community outreach in the area of health.

Hearing Loss Awareness and Screening Program

The Temple of Restoration was selected by the NYU Grossman School of Medicine to receive a two-year grant to partner with the IEHE in delivering NYU’s Hearing Loss Awareness and Screening Program for Low-Income Immigrant Families. The network of organizations selected for this opportunity consisted of three houses of worship and two community centers, located in Brooklyn. The period for the grant is January 1, 2022, to December 31, 2024.

The program seeks to:

- educate parents, families, and communities about hearing loss and how it may present in children and the consequences of untreated hearing loss;
- provide hearing screening services to children ages 0 to 6; and
- connect children with hearing loss to care to reduce adverse outcomes.

The program focuses on immigrant populations because research shows that hearing loss often goes unrecognized, particularly in low-income immigrant families who may have migrated to the U.S. from countries where early screening was not mandated.

“Because hearing is so closely tied with learning and social adaptation, it is critical to identify hearing loss early. In the United States, most babies are screened at birth, but this is not true in other countries.”

Moses Mansu, DrPH, Program Director, NYU Langone Institute for Excellence in Health Equity

The main reason for conducting a screening is to help children in need of further evaluation. Any child found to have hearing loss will be referred for admission to one of NYU's hearing health programs. If a family lacks health insurance, the program will help them enroll in free state services.

In 2022, HH hosted one hearing screening and two education workshops at The Temple of Restoration. HH's team of Health Advocates have been trained by NYU's staff as hearing screeners and the ministry is available to conduct screenings and workshops in a wide variety of settings, such as health fairs, clinics, schools and community events.

NYU Langone Institute for Excellence in Health Equity Faith Based Network Steering Committee

HH was invited to join the IEHE Faith Network Steering Committee. The committee is an advisory body which regularly interfaces with the IEHE and makes decisions for and on behalf of the Faith Network members and partners.

Some of the committee's main tasks are the following:

- Discuss capacity-building and other needs of the faith community to help IEHE develop and deliver appropriate capacity strategies for faith-based organizations, faith leaders and faith community members;
- Work with Faith Network members and IEHE to facilitate mentorship for underrepresented groups interested in health professions and research;
- Provide advice on strategic direction to NYU Grossman School of Medicine Departments/Divisions and support faculty in grant applications and implementation of evidence- and faith-based interventions; and
- Co-lead the development and planning of Annual Health Equity Community Day.
